The Arlington laptop table is an essential component that ensures comfort in today's work-lounge applications. The work surface cantilevers over the seating so you can lean back with your body fully supported against the backrest.

The Arlington table is available in four heights from 25" to 31" high. Select from a laminate or steel work surface. Also select casters or levelers.

ARLINGTON TABLES

- Large work surface
- Angles inward to the user for ergonomic posture
- Laminate top with high impact edges
- Casters or glides

APPLICATIONS

- Collaboration areas
- Lounge spaces
- Personal work spaces
- Quiet rooms
- Patient rooms
