

HermanMiller

Everywhere™ Tables for Conferencing

Designer

Dan Grabowski

The Everywhere Tables kit of parts includes versatile bases and top shapes that can be used to create conference tables that are perfectly suited to your meeting space. A variety of veneers, laminates, and base finishes, including polished aluminum, make it easy to achieve the look you want. The design is also compatible with an array of power outlets and dataports, which allow participants to access power and data through the work surface.

Design for the Environment

Visit hermanmiller.com/everywhere for the latest environmental product information on Everywhere Tables.

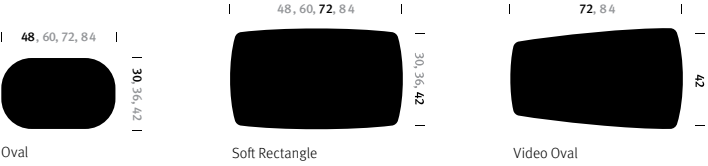

Warranty

12-year, 3-shift warranty. Please visit hermanmiller.com/warranty-terms for details.

Surfaces

Bases

Casters available on most tables. Overall table height does not change when casters are selected.
Not all surfaces can be configured with all bases. Please refer to the Everywhere Tables Price Book for specific configurations allowed.
