

CONSTANTINE®

CEO

Milliken™

INSPIRED. INSPIRING.

Strong personality with a distinct vision of the future. Comfortable and distinct, yet refined for the board room or client engagement. It's making decisions that matter and understanding how the short-term strategy influences the long-term needs of the future. CEO. It is lasting brilliance, emphasizing that today, business is anything but the usual.

TractionBack®

Simplify your modular installation with Milliken's patented TractionBack®, an innovative backing system that is faster, more cost efficient, and environmentally superior to wet adhesives and peel-and-stick carpet tile.

This cushion-back carpet tile product is covered by one or more patents, published applications and/or patents pending. Specifications are subject to normal manufacturing tolerances and may be changed without prior notice.

Growing greener for over 100 years.

This product has a UL® Environment 3rd party verified Environmental Product Declaration (EPD). A copy of the EPD is available online at millikencarpet.com/epd and productguide.ulenvironment.com.
