Milliken™

Modern Bliss

A CONSTANTINE TILE AND BROADLOOM COLLECTION

Embrace the comfort of nature

A cozy knit sweater. A warm woolen blanket.

The bold seams of a fitted jacket. These natural textiles encourage and enhance every part of our daily lives. And now, inspired by the familiar comfort of these very fabrics, Milliken has created an all-new collection of high-end carpeting. With 5 textured patterns and 16 hue selections, Modern Bliss offers a serene carpet solution that is not only beautiful but also wonderfully calm and inviting.

Inspired by sophisticated fitting techniques, **Moulage** reflects the graceful precision of a handcrafted, custom garment.

Silkworks[®] answers market demand for natural wool and silk-like styling with the added performance advantage of solution-dyed nylon. In developing *Silkworks*,[®] Universal Fibers[®] uses an innovative finish technique incorporating sophisticated tonal accents within a single fiber system. The result is a unique and differentiated yarn, delivering a well-tailored, clear and organic feel with natural tonal aesthetics.

Featuring distinctive linear detailing, **Pin Tuck** emulates the refined nature of a classic pleated shirt.

Mirroring the woven intricacies found in a knit fabric, **Hand Stitch** is both beautifully textured and aesthetically complex.

GET INSPIRED

The **Modern Bliss** collection welcomes inspiration. With 5 textured patterns and 16 hue selections, designing a floor that feels completely custom is now easier than ever.

Visit the [MillikenFloors.com/Visualizer](https://www.millikenfloors.com/visualizer)

Much like the interweaving grain of a favorite scarf or sweater, **Cross Tweed** emphasizes a delicate yet elaborate framework.

Echoing the seams of a fitted jacket or blazer, **Pivot Dart** incorporates a series of prominent, wedged silhouettes.

Style Backed by Performance

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, luxury vinyl tile and milliCare®. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

Milliken™

Complete Performance and Support

ENTRYWAY SYSTEMS

The OBEX™ brand of products offers highly effective, comprehensive modular entry solutions designed as a three-zone barrier system to prevent dirt and moisture from entering the building. Available in coordinated colors and patterns, OBEX™ entry products are engineered to increase the functionality of a building's entrance without forsaking elements of design or aesthetic.

MODULAR CARPET AND BROADLOOM

Milliken's broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits.

LUXURY VINYL TILE

From natural looks of wood and stone to more modern textures and abstracts, Milliken's collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets.

MILLCARE®

milliCare® takes caring for your flooring and textiles off your to-do list, which means you can skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.

WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind. Milliken stands behind its products in the areas of Face Fiber Wear, Staining/Soiling Resistance, Color Pattern Permanency, Delamination of Backing, Edge Ravel, Tuft Bind, Floor Compatibility, Antistatic, Flammability, Cushion Resiliency, Dimensional Stability, Floor Release, TractionBack and Moisture Resistance.
» millikenfloors.com/warranty

SUSTAINABILITY

Core to our culture, we embrace sustainability with practices such as third party voluntary product labeling and certifications, zero waste to landfill since 1992, use of renewable energy, product lifecycle assessments, ISO 9000 quality standards and all of our manufacturing sites are certified to the highest global environmental standard - ISO 14001.
» millikenfloors.com/sustainability

STAINSMART®

StainSmart, a proprietary treatment applied to Milliken carpets designed to repel and protect against stains and enhance soil release.
» millikenfloors.com/stainSMART

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Unlike with hardback products, water vapor has a way to escape from beneath Milliken's cushion backing. It travels freely through our open-cell cushion, evaporating naturally through seams at the edges of each carpet tile. All modular carpet tiles come with a lifetime warranty against adhesive breakdown due to moisture vapor emissions.
» millikenfloors.com/moisture

CUSHION BACKING

Provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.
» millikenfloors.com/cushion

SIT TO STAND

Avoid the hassle and expense of using anti-fatigue mats under sit-to-stand workstations. Milliken cushion backed carpet tiles have ergonomics built directly into the carpet tiles themselves.
» millikenfloors.com/sit2stand

TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in place without additional adhesives, eliminating the need to prime or seal the floor and reducing installation time and costs.
