Nexus & Metro

At the corner of every street or avenue, where two paths intersect, a new adventure awaits. A new idea. A friendship. The next great discovery. We venture forward, searching for what could be next and sometimes we stop and stay for a while. At other times, we move forward without pause or deliberation. But it's at these moments of decision that we find the greatest opportunity for something special. A specialness that can be comfortably familiar or refreshingly new.
