Milliken™

INSPIRED. INSPIRING.

The Basics Collection is a textured modular tile with a broad and simple range of colors and accents that offer a new foundation for flooring. Easy, playful, and inspiring, The Basics is anything but basic. Bring that new idea to life.

The Basics in Mineral Warm, ashlar tile installation

The Basics in Palomino Warm, ashlar tile installation
The Basics in Coal Cool, ashlar tile installation

The Basics in Venice Spectrum, ashlar tile installation

Warm

Cool

Spectrum

Warm, Spectrum, Cool

With 15 standard colors and three groups of accents—Warm, Cool, and Spectrum—The Basics Collection brings a balance of color and pattern to the floor in 45 standard options. Each accent color group takes a new identity when joined with the overall background color. Some accents remain bright and chromatic when combined with an overall light or mid-value while others will become less vibrant and more grounded when combined with a dark value.
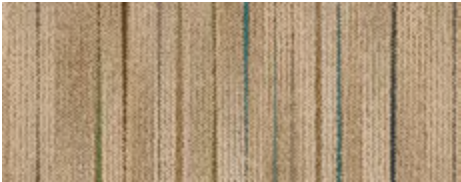

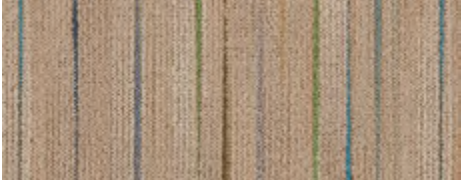

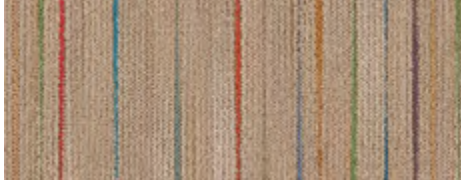

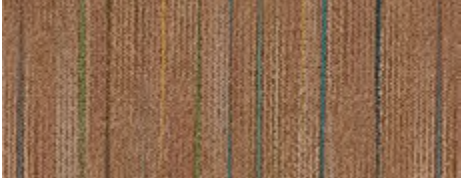

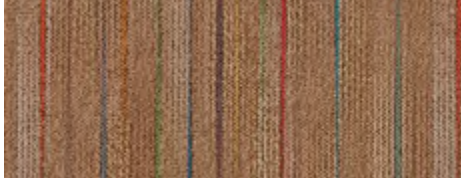

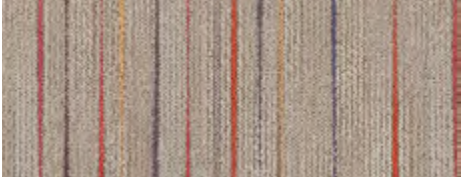

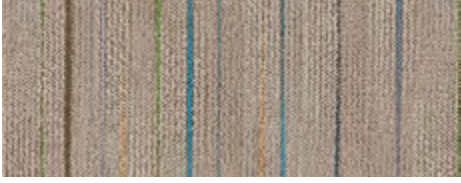

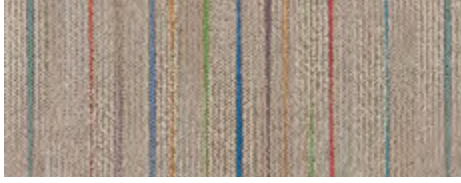

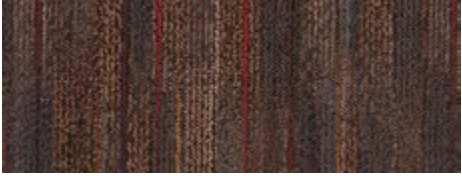

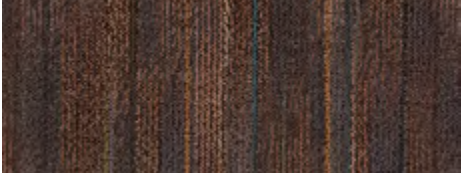

WARM – The 'warm' accent group is a range of reds, yellows, and purples.
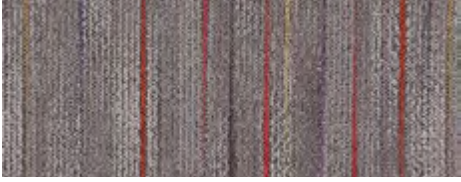

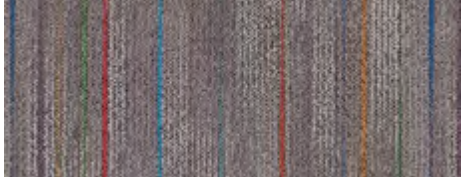

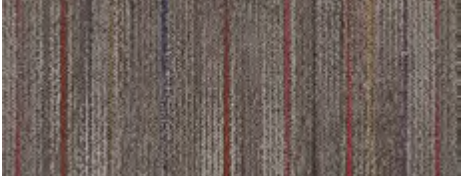

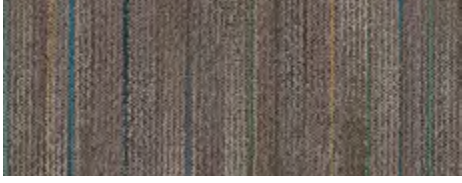

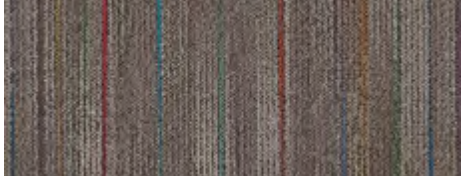

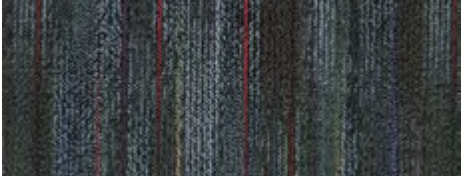

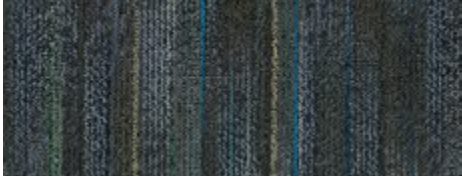

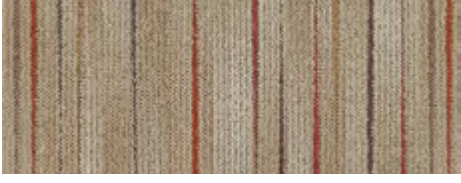

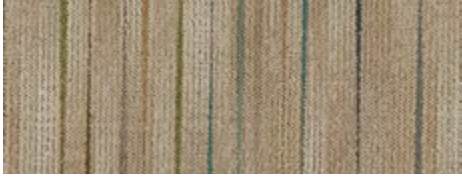

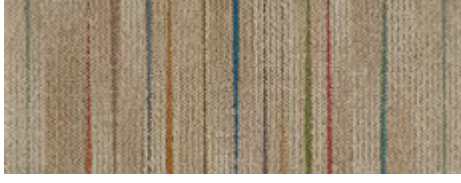

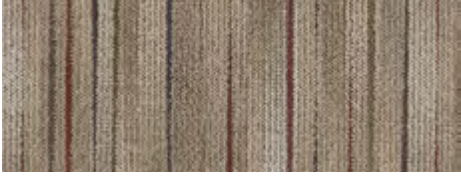

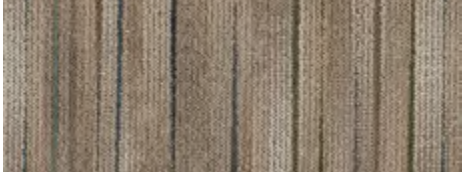

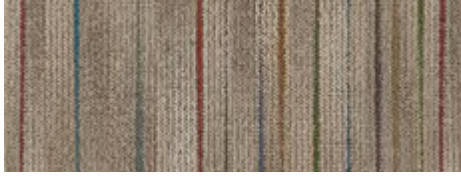

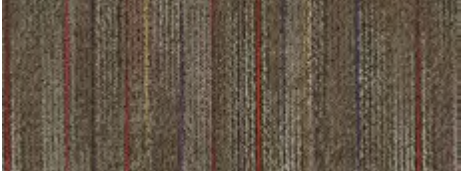

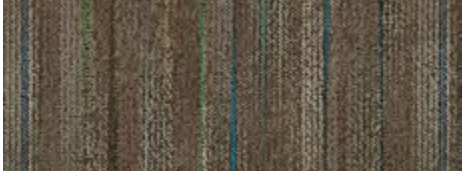

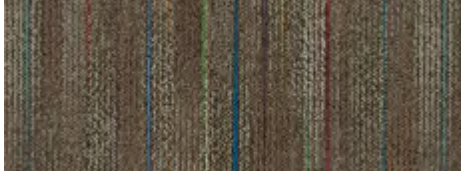

COOL – The 'cool' accent group is a range of blues, greens, and yellows.

SPECTRUM – The 'spectrum' accent group balances the range of warm and cool with a blend of reds, yellows, purples, blues, and greens.

The Basics Colorline

Each color is shown in all three accent color groups: Warm, Cool, Spectrum

Yarn Storm

Construction
Tufted, Textured Loop

Tile Size
50 cm x 50 cm (19.7" x 19.7")

Yarn Type
Milliken-Certified WearOn® Nylon
and Solution Dyed Nylon

Stain Repel & Resist / Soil Release
StainSmart®

Tufted Face Weight
16 oz/yd^2 (542.5 g/m^2)

Finished Pile Height
0.07" (1.8 mm)

Average Density
7,960

Standard Backing
PVC-Free Comfort Plus® ES cushion
Comfort Plus® is available with TractionBack®

**Texture Appearance Retention
Rating (TARR)**
Heavy

Recommended Installation Method

ASHLAR

TractionBack®
Simplify your modular installation
with Milliken's patented
TractionBack®, an innovative
backing system that is faster, more
cost efficient, and environmentally
superior to wet adhesives and peel-
and-stick carpet tile.

This cushion-back carpet tile product is covered
by one or more patents, published applications
and/or patents pending. Specifications are subject
to normal manufacturing tolerances and may be
changed without prior notice.
