C.R. Lounge

Designed by Wolfgang C.R. Mezger

Known for his minimalist approach, Wolfgang C.R. Mezger's latest creation does not disappoint. With its clean aesthetic, C.R. Lounge boasts an unexpected mixture of strong lines and soft curves. The two piece molded foam interior creates an unsurpassed level of comfort.

Its wide angles and gently curved arms belie the fact that C.R. Lounge is actually a perfect square when viewed from the front. The large, inviting seat appears to open up as you draw closer, beckoning you to relax in its warm embrace. While the artistry invites you in, the comfort it provides keeps you there.
