

# DENALI SERIES™ RECESSED UPLIGHT

UL-DE

Power of "X"  
(BKSSL®)

#### MATERIAL

"Working in a coastal environment is such a pleasure, but it has its challenges as the salty air really deteriorates exterior fixtures. I never worry though when I use B-K. Their quality is second to none and I never have job problems. I even had a local hotel owner install B-K on his own home because he was so impressed with their quality!"

Annie Mitchell, OCS Lighting & Control, BKU Fall 2008

#### FOR USE WITH

Power Supplies
