The Supreme Collection is the most economical and versatile table that Hi5 offers. It includes a Y-base, T-base, and C-base for training, computer labs, libraries, and corporate spaces. Optional CPU holders, variable height carrels, and a third leg to achieve longer table lengths are available. The Supreme cafe tables are very competitive in price and durability. Supreme Conference tables have a range up to 288" long, 60" wide, and 42" high. As always, Hi5 welcomes custom table orders. It's our specialty.
