A PARTNERSHIP FOR HOPE

Coalesse introduces the ARZU STUDIO HOPE Masters Collection, encompassing the work of six internationally renowned architects who have donated their time and designs in support of ARZU's mission to empower the women of Afghanistan.

ABRAHAMIC TRIBAL PATTERNING II

“Geometric patterning has a long and distinguished tradition in Moorish history as informed by the 12th century Andalusian philosopher Averroes (Ibn Rushd). These geometric designs evoke long-lost millennial tribal customs. That they are woven by Afghan women is a natural part of that tradition.” - **Stanley Tigerman**
