

West Elm Work Greenpoint

Steelcase and West Elm introduce a new take on the office.

Named after a neighborhood near West Elm's Brooklyn headquarters, West Elm Work Greenpoint consists of private office, benching and storage solutions inspired by West Elm's residential design and brought to life by Steelcase.

West Elm Work Greenpoint's distinct visual language and fresh materiality options supports a variety of aesthetics and the broad statement of line offers consistency across the entire floorplan – from benching to private office.

PRIVATE OFFICE

Hardworking materials lend Greenpoint a workshop-crafted feel. Clean lines and fresh finishes reinvent the private office for a vibe that's sleek, not stuffy.

STORAGE

Greenpoint Storage is a versatile suite of bookshelves, credenzas, lateral files, and pedestals that can be leveraged across the floorplan.

BENCHING

Championing matter-of-fact functionality, wood and raw steel bring a natural sensibility to our Greenpoint Benchings. Its pared back look works in traditional office spaces and open floorplans alike.

(Available Summer 2019)

STATEMENT OF LINE
