Venetian meets the standards for the Carpet & Rug Institute's Indoor Air Quality Green Label Plus Carpet Testing Program. Certification GLP1678.

Venetian is certified GOLD by the NSF 140-2007 Sustainable Carpet Standard.

Tufted fiber weight denotes specs prior to tip shearing. Tip Shearing removes a small amount of fiber, which will vary slightly by product and production run.

Slight variations between sample swatches and production goods are to be expected and are considered normal. Likewise, such variations will occur between production goods of different dye lots. Masland laboratory matches are obtained under cool white fluorescent lighting. Chair pads are recommended to enhance the aesthetic value and longevity of the product.
