

## Roomy and sturdy

Available in upholstered, wood, Thermofoil, or Kydex armcap options, the Selma lounge collection features a generous cleanout with fully field replaceable components. Seating elements include a lounge chair, loveseat, and sofa. A bench with an optional rotating tablet provides a unique seating solution offered in upholstered or wood armcap versions. The tablet is also offered on all seating models.

## Design and construction

- Tab-lock construction utilizing sealed plywood made from hardwoods
- Antimicrobial finish inhibits growth of bacteria while lacquer provides a strong defense against the harshness of cleaning solutions
- Armcaps available in wood, Thermofoil, or Kydex
- Multi-density, Cal 117-2013 compliant urethane foam seats
- Cal133 options available
- Vertical cleanout between seat and back allows dirt and debris to fall directly to the floor
- Field replaceable seats, backs, and armcaps
- Optional tablet
