

# CAIRO™

*Glazed Ceramic*

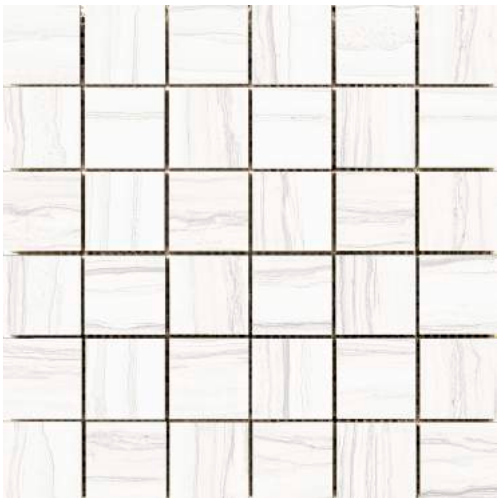

Inspired by subtle layers and veining in natural limestone, Cairo™ showcases this elegant aesthetic through the use of high-definition printing in glazed ceramic tile.

3 Colors | 1 Size | 5/16" T hickness

All Colors Available in Size 16"x16"

Mosaics

Baris 2"x2" on 13"x13" Mesh

Dakhla 2"x2" on 13"x13" Mesh

Siwa 2"x2" on 13"x13" Mesh

| Tile thickness could vary based on size. Larger format tiles will have a higher thickness.                                                                                                                                                                                                                                                                                            |  |  |  | Test Method              | Abrasion Resistance C1027 | Breaking Strength C648 | Chemical Resistance C650 | Water Absorption C373 | DCOF ANSI A137.1 | Freeze-Thaw Cycling C1026 | Scratch Hardness MOHS | Shade Variation Rating |
