Rising Tide | Shaka

3400RT

Len-Tex Contract

Rising Tide, the first release of the Wicked Big collection, features large, soft painterly horizontal plumes. Inspired by dying techniques that bleed and spread outwards into overlapping subtle gradients, once laid on paper the inks create their own unique history. Reminiscent of ocean waves, or rolling early morning fog, the subtle color shifts in brush strokes resemble the way light dances and floats across a misty landscape. Set your dreams of relaxation and sophistication in motion with this airy pattern available in both vinyl and mylar color ways.
