Knoll and Sustainable Design

Each year Knoll sets key initiatives in the journey to sustainability. Focused on our impact to people and planet, Knoll reports material health product attributes and sets operational targets to reduce greenhouse gas emissions, waste generation and water use (in our North American facilities.)

Material transparency is a core Knoll sustainable design value, enabling us to optimize the design and performance of our products. Our material health program utilizes independent third-party certifications that provide an impartial and trustworthy foundation for industry-wide transparency. Certification by respected third parties ensures that all manufacturers are held to the same high standards. Knoll certifications include: Forest Stewardship Council (FSC®), Intertek's Clean Air Program, Business and Institutional Furniture Manufacturer's Association (BIFMA) LEVEL® certification, International Living Institute's (ILFI) Declare labelling and Certified Environmental Product Declarations. In addition, Knoll is aligned with the U.S. Green Building Council and can help organizations achieve credits for Leadership in Energy and Environmental Design (LEED®), WELL and the Living Building Challenge (LBC) building certifications.

In our manufacturing operations, we focus on efficiency and impact. Knoll Office and Knoll Europe manufacturing locations are ISO 14001:2015 certified. We have also achieved year-over-year increases in the amount of waste diverted from landfills and have contributed to greenhouse gas emissions reductions through individual site efforts. These initiatives are part of a long-term strategy to further reduce energy consumption and lower our carbon footprint.

We also believe in helping our customers find viable options when decommissioning furniture or other related assets. ANEW's Full Circle Program, in partnership with Knoll, allows customers to leverage buy-back and re-sale programs as well as explore options for repurposing or recycling that mitigate landfill impact through energy-from-waste conversion.

For more information about Knoll and sustainable design, visit www.knoll.com/environment.

Wood Finishes

New codes begin with a three digit numeric sequence, followed by a letter suffix. Each letter suffix (A-F) represents a different combination of pore fill options and gloss levels.

Knoll Wood Finishes*		Gloss Level	Fill Level
020	Natural Oak	A Low Gloss	Closed Pore
038	Rustic Walnut	B Medium Gloss	Closed Pore
039	Pippy Oak	C High Gloss	Closed Pore
037	Birch	D Low Gloss	Open Pore
		E Medium Gloss	Open Pore
		F High Gloss	Open Pore

***Note:**

Occasional tables only available in open pore, low gloss Natural Oak (020D), Rustic Walnut (038D) and Pippy Oak (039D) veneers. For birch use solid Plywood (BP).

For more detailed information on veneer finishes, please refer to the Wood Finish Matrix on Knoll.com.

Rockwell Unscripted products use contract-grade, durable materials and construction. Regular maintenance will ensure the longevity of your product. To minimize wear and tear or to address most stains, marks, or discolorations, follow the routine care and maintenance instructions outlined here.

Laminate Whiteboard

Proper use and regular cleaning is essential to minimize the possibility of permanent stains and/or ghosting associated with dry erase markers.

Initial cleaning before first use:

- Use a clean, dry cloth and nonabrasive cleaner on entire board.
- Use a dry cloth to wipe the entire surface to remove all dirt and residue from prior step.
- Rinse the entire board with clean water.
- Use a dry cloth to wipe dry the entire surface.

Daily use, care, and maintenance:

- Use proper markers. Knoll suggests Bic Great Erase BOLD markers. Do not use low odor dry erase markers, glass board, or permanent (indelible) markers, as they will lead to staining or ghosting even with regular cleaning.
- Erase markerboards daily with a felt eraser or dry cloth designed for use with dry erase markers.
- KnollExtra offers a set of 4 dry erase markers (pattern ACT-CB-M-MARKER) and a microfiber cleaning cloth (ACT-CB-M-CLOTH). See KnollExtra price list.

Periodic maintenance or to remove stains:

- Clean markerboard completely 2-3 times a week using EXPO® whiteboard cleaner.
- To remove ghosting, use EXPO® whiteboard cleaner and a paper towel. Wipe the entire surface and let dry.
- Mix Joy® dishwashing detergent with warm water and apply to the board using a paper towel, then wipe dry with a clean cloth. Repeat as necessary.
- To remove permanent marker, use a dry erase marker to write on top of the permanent marker. Erase with a dry eraser and then clean with EXPO® whiteboard cleaner.
- For stubborn stains, clean with EV-1 or any liquid ammonia-added cleaner and rinse with clean water, then dry. For best results, wash board like a window with sponge and squeegee.
- Interim cleaning may be done by sprinkling dry powdered cleanser on a felt eraser and applying to board in a circular motion. Rinse with clean water, then dry.
- To remove crayon, scotch tape, or other stubborn materials, apply a mild solvent or paste made with scouring powder and water, then rinse and dry.

Laminate/Melamine

Scrub with Windex, Fantastik, Mr. Clean or other household soaps or detergents well dissolved in water or with a very soft cloth dampened with alcohol or a synthetic thinner. For a dull finish, rub with jeweler's rouge as a polishing agent and finish with paste wax. Remove stubborn stains with Soft Scrub. Never use abrasives.

Veneered Plywood and Solid Wood Legs

Occasional Tables, Steps collection, Easy Stool tops, Mobile Easy Chairs

- General maintenance: Clean with commercial brand liquid furniture polish three to four times per year; i.e. Guardsman or Weiman Furniture Cream. Do not use water or household solvents: they will destroy the protective finish.
- For stubborn dirt/light scratches: Rub lightly with (#0000) very fine steel wool. Apply two coats of furniture cream.
- For deep scratches: Contact a commercial refinisher.

Knoll Veneer Finishes

General maintenance

Library Tables, Sawhorse Tables, Easy Tables, Creative Wall Surfaces, Storage

Regular dusting with a soft cloth will help prevent fine dust particles from becoming embedded in the finished surface. We recommend using a soft flannel cloth slightly dampened with water, followed by a dry cloth. Always wipe in the direction of the grain.

All furniture should be used in a stable, controlled atmosphere and positioned to avoid direct sunlight. The ideal climate is 65 to 75 degrees Fahrenheit with a relative humidity between 30 to 50%. Note: Knoll does not recommend waxes or oils to clean or polish veneer surfaces. These materials are not necessary and may actually dull or be otherwise detrimental to the finish of our products.

Stubborn stains

Use a very mild non-abrasive non-ammonia and non-alcohol containing soap diluted in a room temperature water solution. Apply with a soft flannel cloth, followed by a dry cloth. Always wipe in the direction of the grain. Non-ammonia based cleaners can also be used.

Spills

Spills should be wiped up promptly and wiped dry as described above. Spills should never be left on the finish overnight.

Reactions to other materials

Certain vinyl and rubber products left in contact for extended periods of time can chemically react with our wood finishes. Coasters, place mats, notebook covers, and rubber or plastic feet (found on most accessories) can also damage wood surfaces. We recommend using felt pads on all objects that come in contact with furniture. To avoid indentations caused by writing instruments always use a non-vinyl blotter or writing pad.

Powder Coat Paint

Clean with Windex or Endust using a soft cloth. Remove stains with Soft Scrub.

Fabric Surfaces

A regular maintenance program will significantly lessen soil and dirt build up or staining. Cleaning is particularly important in areas adjacent to air conditioning or ventilation systems.

- Avoid excessive heat or moisture. Never allow fabric surfaces to become wet inside the core. Room temperature should be maintained 50-85 degrees; humidity between 20-50%.
- Avoid contact with sharp edges which could puncture the surface.
- Do not handle fabric more than necessary. Avoid bending or flexing the surface.
- Grease or oil should be wiped off immediately. Remove excess grease or oil by blotting. Use hot water and mild soap to remove any remaining residue.
- Whenever possible, clean only with warm water and mild soap. Use caution when applying cleaning agents, particularly those that contain alcohol, strong alkalis, or solvents. These ingredients may react to backing or adhesives used. Always test cleaning agents in an inconspicuous place first.

FilzFelt Surfaces

See FilzFelt website for detailed maintenance and cleaning instructions. Use masking tape lint roller to remove debris. Once a year, lightly vacuum the entire surface with a clean, soft horsehair upholstery brush.

Glass

Clean with Windex, Fantastik or other non-abrasive cleaning solutions. Wipe dry with a clean cloth.

Porcelain

Clean with damp cloth using water or Windex. Do not use any abrasive detergent.

Solid Wood

Clean with dry and soft cloth. Rub smoothly with damp, lukewarm cloth. Treat stubborn stains with household soap solution or a solution with dishwashing liquid. Wipe off with clean, dry cloth. Do not use acid or abrasive detergents.

Rockwell Unscripted Fabric

Regularly clean with light vacuum with upholstery brush. For stains, use only mild, pure water-free dry cleaning solvents.

Nomad fabric

Regularly clean with light vacuum with upholstery brush. For stains, use water-based cleaning agents and foam or mild, water-free solvents. Also cleanable with bleach solution of one part household bleach to four parts water. If natural shedding occurs, trim loose fibers with a sweater shaver.

KnollTextiles fabrics

See KnollTextiles website for detailed cleaning and care instructions. Wipe all spills immediately. Brush and vacuum every three to four months. Use a foam upholstery cleaner as directed semi-annually or more frequently, if necessary. Try a hidden area to test for color fastness.

Spinneybeck Leathers

Leather develop a patina with age. Wipe all spills immediately. Do not use harsh cleaners, wax or oils, which will clog pores. Periodically wipe with a damp cloth. See spinneybeck.com for detailed cleaning and care instructions and to purchase leather maintenance kits and ink remover.

Chrome

Clean with Windex or an automotive chrome cleaner such as Semi-Chrome twice a month. Apply a coat of hard paste wax to protect against moisture.

Moving Parts

Lubricate moving parts every six months.

Swivel Mechanism

Apply a paste-type grease to swivel mechanism once a year.

Fasteners and hinges

Tighten loose fasteners or hinges once a year or as needed.

updated as of September 2019

Spinneybeck leathers are made from the top 2% of the world's finest hides, inspected numerous times during production.

After tanning, all Spinneybeck leathers are drum-dyed, a time-consuming procedure which ensures color penetration throughout the hide. Then each hide is finished in the manner which will best bring out its individual character.

Spinneybeck leathers are all full-grain aniline drum-dyed products imported from Italy.

The following is a list of Spinneybeck leathers. Leathers are grouped into five price categories referred to as "grades." The selection of approved leathers varies by product. Please refer to the application approvals matrix for more information.

Square footage requirements for Customer's Own Leather (COL) are listed on each product's pricing page. Please refer to COM Seating Process Overview for further information regarding COL.

For further information, call Spinneybeck at 1 800 482-7777.

Grades	Characteristics
U	
Vicenza	Finished cowhide, corrected grain that is slightly raised.
Volo	Finished cowhide, corrected grain, slightly raised grain texture.
V	
Acqua	Water-repellent finished cowhide, corrected grain, slightly raised grain texture.
Andes	Slightly pronounced grain, finished cowhide and enhanced grain.
Embossed	Corrected grain, aniline dyed, two-tone, heavily finished leathers breathable protective finish.
Tipped	
España	Smooth, tight grain cowhide; breathable, protective finish, enhanced grain.
Hand Tipped	Two-toned leather, lightly finished cowhide, pronounced pebble grain texture.
Maremma	Full grain textured suede with impregnated soil-resistant treatment.
Velluto Pelle	Slightly pronounced grain, finished cowhide and enhanced grain.
W	
Alaska	Pearlized-iridescent protective finish cowhide, full grain with smooth texture.
Amazon	Mid-weight, full grain cowhide; colors of the Amazonian jungle, raised grain texture.
Antique	Smooth tight grain cowhide, lightly antiqued to produce an elegant patina, enhanced grain .
Derby	Combination-tanned cowhide; full grain, lightly finished and raised grain texture.
Forte	High performance, full grain leather with slightly pronounced grain texture.
Lucente	Smooth, very tight grain cowhide; subtle sheen; light casein finish.
Sabrina	Smooth, tight and full grain cowhide with a breathable protective finish.
X	
Ducale	Embossed shrunken grain cowhide with protective finish, full grain.
Ducale Velour	Full grain-sueded cowhide, embossed shrunken grain, scotch-guarded.
Y	
Capri	Chrome-free, light protective finish, full grain cowhide.
Cervo	Full aniline, cowhide, pronounced grain texture, extremely soft and supple hand.
Copenhagen	Full aniline, 100% vegetable tanned leather, full grain.
Distressed	Aniline-dyed, paraffin wax final ironing process with a smooth finish, and full grain.
Lucca	Grain sueded, aniline dyed, velvety suede surface.
Marissa	Grain-sueded cowhide, smooth suede grain with soil resistant treatment.
Portofino	Full grain, lightly finished cowhide with a pronounced raised texture.
Riva	Slightly pronounced grain texture, water-repellent, full grain.
Saddle	Full aniline, smooth very tight grain surface takes on a rich patina over time.

Customer's Own Material (COM)/ Customer's Own Leather (COL) & KnollTextiles Fabric Application Rockwell Unscripted

COM and COL are available where noted in the price list, pending approval. COM is priced at grade B, COL at grade U, inclusive of receiving and handling costs. See below for material requirements and process and order instructions.

Prior to order placement, submit a sample cutting to Knoll in East Greenville or through your regional Knoll office for preliminary approval (8" x 8" minimum sample for solids; if pattern, sample must be large enough to show repeat). **If COM/COL will be split upholstery, you must provide companion textile at the time of submission.** Even after preliminary approval, Knoll reserves the right to reject a COM/COL, if the material is deemed inadequate. When a COM/COL is accepted, Knoll assumes no responsibility for its appearance, durability, color fastness or any other quality after upholstered on a Knoll product. See Selling Policy for details.

Published yardage requirements are based upon Knoll 52" width material unless specified otherwise. Leather requirements are based on whole hides with a minimum of 50 square feet per hide. If the nature or pattern of a COM/COL requires additional yardage/square feet and/or additional labor charges, Knoll will notify the customer when the preliminary sample is approved.

If your COM/COL is approved, please send the required amount for the product to: Knoll, Inc., 1235 Water Street, East Greenville, PA 18041, Attn: Customer Resources. You must mark your COM/COL with the approval number and customer's name. Please allow for additional lead times of 2-3 weeks.

For standard commercial application, Creative Wall is designed to be a freestanding, self-supporting furniture product, except for select floor-anchored elements within the scope, including the Creative Wall square foot, pivot fins, and column base kit.

For seismic applications, additional anchoring might be required.

For all local building standards and codes, and additional requirements (including, but not limited to, seismic conditions) the Customer should always consult local code agencies.

Failure to properly attach Knoll products to adequate structures can lead to property damage and/or personal injury.

It is the responsibility of the Customer and its certified building contractor, structural engineer, and/or architect to specify the fasteners and method for anchoring elements to a floor or other supporting structure and to confirm that the installers have adhered to these specifications.

It is the responsibility of the Customer and its structural engineers/architects to verify that structures to which the Knoll products are intended to be attached are designed appropriately to support the product dimensions and weight, including any attached accessories that meet our specification guidelines, such as monitors and mounting brackets provided by other manufacturers.

Knoll does not accept responsibility for the attachment of any Knoll product to a Customer's site building structure or to other manufacturer's products, such as raised floors or demountable walls.

Knoll can provide product information required by structural engineers/architects to help with any evaluations or calculations, including seismic applications.

Please work with your Knoll and/or Knoll dealer representative for assistance with specification requirements and installation guidelines for both standard and seismic applications.

Creative Wall elements should not be used as loadbearing support for built architecture, including ceilings, soffits, or walls.

114	Trim side 1, Folkstone Grey
114	Trim side 2, Folkstone Grey
114	End finish, Folkstone Grey
114T	Foot finish, Folkstone Grey

To order please specify:

1. Pattern number, including outlet opening(s)
2. Material type, side 1
3. Material side 1 (if applicable)
4. Material type, side 2
5. Material side 2 (if applicable)
6. Trim finish, side 1
7. Trim finish, side 2
8. End finish
9. Foot finish

Preconfigured, freestanding Creative Walls make it easy to price, specify, and order a straight run of wall. They do not ship fully-assembled, but do use pre-assembled frames. For other widths or for seismic applications, order at the component level.

Single outlet openings specification:

code	description
NP	no outlet openings
P1 *	openings one side of wall, 18" high
P2 *	openings both sides, 18" high
* No outlet opening option for porcelain surfaces.	

Single outlet openings come with bezel to accommodate a single duplex. Double is always black. See Electrical to specify duplexes.

For other outlet opening configurations, specify at the component level.

Material types:

O	magnetized porcelain, white
C	natural cork
E	FilzFelt 3mm wool design felt

See following pages for other material types

Solid laminate priced at L1; Markerboard and woodgrain laminate L2.

Finish options:

See Material and Finish matrix. Preconfigured Creative Wall trim in paint only; for veneer, specify at component level. For split materials/grades, specify at component level

Specification Information

To order please specify:
 1. Pattern number
 Frames are painted black.

Preassembled frames include factory-assembled top and bottom rails, end studs with corner gussets, and mid studs to align with specified surface configuration.

Trim brackets, levelers, and corresponding hardware are boxed with each frame for site installation.

Knocked down frames include the same parts, but disassembled and boxed together as a kit for site assembly and installation.

Specify surfaces, trim, stabilizing feet, connectors, and electrical separately as configuration requires.

Specification Information

<i>Example:</i>	UBS9024L24SM
UB	Unscripted Borders
S	Surfaces, Created Wall
9024	For 90"H wall, 24"W
(L/R)	Left side or Right side
24S	Single outlet option at 24"H
M	Laminate Markerboard

To order please specify:

1. Pattern number
 2. Material type
 3. Material finish (if applicable)
- Patterns with L have left side cutouts when facing the surface and patterns with R have right side cutouts when facing the surface. Line art shows left side.

Single outlet opening heights:

code	description
24	24" high
30	30" high
36	36" high
42	42" high
48	48" high

Material types:

L laminate
 M laminate markerboard, white
 V veneer
 Solid laminate priced at L1;
 Markerboard and woodgrain laminate at L2.

See Materials and Finishes matrix

Single outlet openings (S) come with bezel to accommodate a single duplex. Bezel is always black. See Electrical to specify duplex.

UB	Rockwell Borders
FF	Fixed Fin
9024	For 90"H wall, 24"W
S	Perforated Steel
120	Black Brown

Specification Information*To order please specify:*

1. Pattern number
2. Frame Finish

Fin insert is perforated steel, painted.

Fins mount to underside of crossbeam in mounting channel.

Fixed fins stand on glides and must be installed inline with or perpendicular to Creative Wall.

Pivot fins can be installed anywhere along crossbeam and require fastening pivot plate to floor.

* Designed for solid floor structures. Does not include fasteners. Knoll does not assume any responsibility for the installation, attachment, or securing of floor-anchored elements to the floor. A certified building contractor should be consulted. Please refer to Creative Wall specification and installation information on page 24.

Order Code

<i>Example:</i>	UBFF9024 120
UB	Rockwell Borders
FF	Fixed Fin
9024	For 90"H wall, 24"W
T	Translucent Glass
120	Black Brown

Specification Information

To order please specify:

1. Pattern number
2. Frame Finish

Fin insert is Translucent Glass.

Fins mount to underside of crossbeam in mounting channel.

Fixed fins stand on glides and must be installed inline with or perpendicular to Creative Wall.

Pivot fins can be installed anywhere along crossbeam and require fastening pivot plate to floor.

* Designed for solid floor structures. Does not include fasteners. Knoll does not assume any responsibility for the installation, attachment, or securing of floor-anchored elements to the floor. A certified building contractor should be consulted. Please refer to Creative Wall specification and installation information on page 24.

UT	Unscripted Tables
SB	Sawhorse, Easy Top, Bullnose Edge
723628	72"W x 36"D
S2	2 grommet holes, 3.125" square
147	Silverwood top
111	Jet Black edgeband
111T	Jet Black paint
111T	Jet Black legs
111	Jet Black grommet liner

Specification Information

To order please specify:

1. Pattern number
2. Top finish
3. Edgeband finish
4. Paint finish
5. Leg finish
6. Grommet liner color (if applicable)

Grommet options:

NG = No grommet holes
A1 = 1 grommet, 1.75" round
B1 = 1 grommet, 2.5" round
S1 = 1 grommet, 3.125" square
A2 = 2 grommets, 1.75" round
B2 = 2 grommets, 2.5" round
S2 = 2 grommets, 3.125" square
A3 = 3 grommets, 1.75" round
B3 = 3 grommets, 2.5" round
S3 = 3 grommets, 3.125" square
A4 = 4 grommets, 1.75" round
B4 = 4 grommets, 2.5" round
S4 = 4 grommets, 3.125" square

Finish Options:

See Materials and Finishes matrix

Grommet Liner Options:

118 Bright White
114 Folkstone Grey
115 Medium Grey
111 Jet Black

Wood Leg Options:

OE Ebonized White Oak
OA White Oak
WN Walnut, clear coat
BR Birch, clear coat

Order Code**Specification Information**

Example: **UTSD2T1204828E(2/4)(S/T)**

UTS	Unscripted Table Sawhorse
D2	Dual Bench 2 Top Pieces
T	Tapered Top
1204829	120"W x 48"D x 28"H
E	Closed End
4	4" Slot
S	Sawhorse End Leg
039D	Top Finish
039D	Edgeband Finish
120	Under Edge finish
120T	Paint Finish
OA	Leg Finish

To order please specify:

1. Pattern number
2. Top finish
3. Edgeband finish
4. Underedge finish
5. Paint finish
6. Leg finish

Note: (2/4) refers to the slot opening down the center of the table. 2 = 2" slot and 4 = 3.75" slot. The 4 is sized for use with a divider screen, the 2 is not suitable for divider screen use.

(S/T/M) refers to the type of interior legs. S = standard sawhorse leg. T = Inset sawhorse leg. M= Intermediate metal tube leg

Please see Sawhorse Workbench Product Guide for more information.

5. Paint finish
6. Leg finish

Note: (2/4) refers to the slot opening down the center of the table. 2 = 2" slot and 4 = 3.75" slot. The 4 is sized for use with a divider screen, the 2 is not suitable for divider screen use.

(S/T/M) refers to the type of interior legs. S = standard sawhorse leg. T = Inset sawhorse leg. M= Intermediate metal tube leg

Please see Sawhorse Workbench Product Guide for more information.

Selling Policy

	This Selling Policy supercedes all previous selling policies. Prices, discounts and product offerings are subject to change without notice.
Terms & Conditions of Sales	Sales by Knoll, Inc. or Knoll North America Corp. ("Seller") of Knoll Product Lines (hereinafter "Products") within the United States and Canada are made only on the terms which are contained in this Selling Policy. Seller hereby gives notice of its objection to any different or additional terms and conditions. This sale is expressly conditional upon Purchaser's assent to the terms and conditions set forth below. Additional terms and conditions may apply to KnollStudio and KnollTextiles orders. These terms and conditions may be modified or supplemented only by a written document signed by an authorized representative of Seller. These terms and conditions supercede any prior and/or contemporaneous agreements or correspondence between Purchaser and Seller. Written quotations expire thirty (30) days from the date of issuance and can be withdrawn by written notice anytime during that period. Where Purchaser and Seller have entered into the Knoll Electronic Terms and Conditions, all orders, acknowledgements, invoices and other business communications placed or transmitted in accordance with the Knoll Electronic Terms and Conditions shall be deemed to be in writing and signed and shall be valid for all purposes as if they were originated and maintained in documentary form.
Ordering Information	All orders must be in writing. The product pattern number(s) contained on Seller's order acknowledgement shall be the final expression of the order.
Order Confirmation	A purchase order is not binding on Seller until Purchaser has received Seller's order confirmation or acknowledgment.
Pricing Policies	List prices are subject to change without notice. List prices shall be those prices in effect on the date of receipt of a complete purchase order unless shipment is requested more than ninety (90) days after order entry in which case prices in effect on the date of shipment apply. List prices include specified freight costs. Unless specified in writing by Seller, no other charges are included in Seller's list prices.
Taxes	All sales, use, excise and other taxes applicable to the sale of the Products shall be paid by Purchaser. If Purchaser claims an exemption from any tax, Purchaser shall submit to Seller the appropriate exemption certificates.
Terms of Payment	Payment for one hundred percent (100%) of the net order amount is due within thirty (30) days of the date of invoice, which is generally issued upon shipment. In case of any discrepancies, such as shortages, and Seller is notified in writing within ten (10) days of receipt of Product, only that portion may be deducted and the balance paid. For orders greater than \$100,000 net, a fifty percent (50%) deposit is due at the time of order placement, with the remainder due within thirty (30) days of the date of invoice. KnollStudio orders less than \$2,000 require payment for one hundred percent (100%) of the net order amount (including any applicable sales tax and charges for inside delivery, special packaging, etc.), due at time of order placement. For KnollStudio orders greater than \$2,000, a one-half (50%) deposit is due at time of order placement with the remainder (including any applicable sales tax and charges for inside delivery, special packaging, etc.) due prior to shipment. If, in the judgment of Seller, Purchaser's financial condition does not justify the terms of the payment, Seller may require full or partial payment in advance. Past due accounts shall be charged one and one-half percent (1.5%) per month, or the highest rate permitted by law, whichever is less, and will be added to the outstanding balance. In the event Purchaser defaults on payment, Purchaser shall be liable for all collection costs, including reasonable attorney's fees and costs.
Changes and Cancellation	Purchase orders may not be changed or cancelled, in whole or in part, without prior written consent of Seller. Changes may effect delivery dates. Expenses incurred because of changes shall be charged to Purchaser. In the event of cancellations, Purchaser will be liable for reasonable cancellation charges established by Seller. Orders for special Product, orders including "COM" (hereinafter defined) material and orders pursuant to expedited delivery programs, may not be canceled.
Freight Prepaid	Freight is prepaid and included in the price of all Products, except KnollTextiles, within the 48 contiguous United States for orders placed with Knoll, Inc. and within Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland for orders placed with Knoll North America Corp. Packing is tested for rigorous motion and transportation but is not guaranteed to protect furniture from all conditions. If special packaging is required for any reason, please consult with your sales representative or dealer. Seller shall select the method of shipment and routing. Freight for all KnollTextiles orders is prepaid and added to the invoice.
Delivery/Freight Charges	Shipments outside the contiguous 48 United States and Canada shall be shipped F.O.B. Origin. For shipments outside the contiguous United States and Canada, Purchaser is responsible for the cost of freight from point of embarkation, including any handling and transportation charges incidental to loading at the point of departure and unloading at the final destination. Conditions beyond the control of Seller, including weather, available facilities and traffic conditions, may affect exact time of delivery. Seller shall not be responsible for specific carrier delivery date or time unless it has made a specific delivery commitment, in writing. Nonstandard methods of shipment and/or additional services are available upon request. Purchaser will be billed for the differential cost of any special services in excess of standard surface carrier freight costs. Premium charges, at Purchaser's request, will be added for airfreight, exclusive use of vehicle and extra, export or special packaging. Accessorial charges will be added for inside delivery, extra labor, reconsignment and redelivery. Partial shipments may be made and invoiced by Seller.
Claims	All shipments for Knoll Products within the contiguous United States and Canada are F.O.B. Origin. All risk of loss passes to Purchaser at time of delivery to carrier. Purchaser shall inspect all Products upon receipt and notify Seller within ten (10) working days after receipt of any damage or defects which are, or should be, apparent from an inspection of the Product and its packaging. Failure of Purchaser to notify Seller during the ten (10) working day period shall constitute acceptance of the Products and waiver of any apparent defects, errors or shortages. For all claims relating to Product damaged in transit or for any other claims relating to or arising out of the transportation of the Product, Purchaser must seek recovery from the carrier and Seller has no liability to Purchaser for such claims. Seller may, upon request, assist Purchaser with filing of such claims with the carrier, but Seller will not be liable for any of these transportation related claims.
Seller's Security Interest	Until Seller receives the full payment for the Product, Seller shall have a security interest in the Product. Purchaser agrees to perform all acts, including but not limited to the execution and filing of documentation, which may be necessary to perfect and assure the security interest of Seller.
Returns	The return of Products without a written authorization by Seller shall not be accepted. To receive authorization for Product return, please call Customer Service. All Products that are returned pursuant to a valid authorization shall be subject to a twenty-five percent (25%) of list restocking charge. Products not currently offered for sale by Seller (including COM) shall not be authorized for return. All returned Products must be unused, in original condition and in the original Seller packing cartons. No refund or credit shall be given for damaged Products.
Held Orders/Storage	If Purchaser requests that an order be held or delayed, prices and terms and conditions in effect at the time of shipment shall apply. If Purchaser requests a delay after the time when Seller can defer production, Purchaser will be invoiced for the Product, payable in accordance with standard terms, when the order is ready for shipment. Seller may transfer the Product to storage, in which case all expenses incurred in connection with storage, including demurrage, preparation for storage, storage charges and handling shall be payable by Purchaser upon submission of invoices by Seller. Risk of loss to the Product shall pass to the Purchaser upon delivery of the Product into storage.

Selling Policy

Customer's Own Material	A Purchaser who requests a fabric or other surface material not standard to Seller's line of Products ("COM") must submit samples of the requested material to Seller prior to entry of a purchaser order. Seller shall determine if the material is suitable to its manufacturing processes and meets any requirements of Underwriters Laboratories. If the COM is acceptable, Seller will then establish a price for using the COM or the Product in question. For a description of the procedures for submitting samples and testing, contact customer resources or your sales representative. Seller shall have no responsibility for the appearance, condition, performance, durability, colorfastness or any other physical attribute of the COM. Purchaser shall indemnify and hold Seller harmless for any damages, injuries or losses arising out of or related to use of the COM on the Product.
Warranty	Seller warrants to the original Purchaser only that the Products Seller manufactures and sells to Purchaser are free of defects in workmanship and materials, during the applicable warranty period set forth below. Warranty period set forth below is for 24-hour, 7 days a week, multi shift use (includes parts and labor to repair). Should any failure to conform with this limited warranty appear to a Product listed below during the applicable warranty period from the date of shipment, Seller shall, upon prompt written notice, repair or replace, at its option and costs, the affected part or parts. <i>Product and Period of Warranty</i> <i>Lifetime: Antenna Workspaces, AutoStrada, Calibre, Crinion Open Table, Currents, Dividends Horizon, Morrison, Reff Profiles laminate, Rockwell Unscripted, Series 2 Storage, Template, Quoin and other non-wood components (except cascade edge worksurfaces, operational parts, controls, electrical, Lighting, Series 2 Veneer Front Storage, digital locks, upholstery, textiles and leathers, special or custom products, see below)</i> <i>12 Years: Chadwick, Generation by Knoll, k. task, Life, Moment, MultiGeneration by Knoll, Ollo, ReGeneration by Knoll, Remix, and Toboggan seating (except seating upholstery, textiles, leathers and finishes, see below).</i> <i>10 Years: Anchor Storage except digital locks, Antenna Workspaces, AutoStrada, Crinion Open Table, Dividends Horizon, Dividends Horizon Satellite Surfaces, Reff Profiles, Rockwell Unscripted, Quoin wood components, Template wood components, Series 2 Veneer Front Storage, cascade edge worksurfaces, Wood Casegoods (The Graham Collection) (except wood casegoods upholstered surfaces, see below), Reuter overheads, Reuter vertical storage, KnollExtra Sapper Monitor Arm Collection, Sapper XYZ Monitor Arm Series, Adjustable keyboard mechanisms and platforms, Communication Boards (except fabric board textiles, cork and FilzFelt, see below), Smokador collection (except leathers, see below), Orchestra Universal Systems Accessories, k. lounge structural components, KnollStudio Pixel and Propeller, Tone bases.</i> <i>5 Years: Operational parts, controls, electrical, Lighting (except light ballasts, bulbs and power supply, see below), special or custom product, wood veneer products and plywood, Currents handcrank, KnollStudio, Rockwell Unscripted wire bases, Spark Series seating structural elements, structural elements of all KnollStudio outdoor products including all Richard Schultz designed products, KnollExtra CPU holders and all universal storage drawers and Power Collection, k. bench (except changes in finish, see below) and k. stand bases (except changes in finish, see below).</i> <i>3 Years: Rockwell Unscripted upholstery (except textiles and leather), Office Seating upholstery, textiles, leathers and finishes. Fabric boards textiles and Smokador Collection leathers, KnollExtra Pop Up Screens.</i> <i>2 Years: Anchor Storage digital locks, Quoin digital locks, all other KnollExtra product</i> <i>1 Year: Light ballasts, bulbs and power supply, seating upholstered armpads and soft armpads, wood casegoods upholstered surfaces. KnollStudio, outdoor product finishes, k. lounge upholstery and k. lounge fabric. Rockwell Unscripted fabric and accessories.</i> This warranty does not apply to: • Damage caused by a carrier other than the Seller. • Normal wear and tear or acts or omissions of parties other than Seller (including user modification, improper use or installation of Products). • COM or other third party materials applied to Products. • Products not installed by or under the auspices of a Knoll Dealer. • Dramatic temperature variations or exposure to unusual conditions. • Changes in surface finishes, including colorfastness due to aging or exposure to light. • Except as specifically noted above, textiles and upholstery supplied by KnollTextiles and Spinneybeck FilzFelt (consult current price lists for applicable warranties). Natural variations occurring in wood, marble, and leather shall not be considered defects, and the Seller does not guarantee the colorfastness or matching of the colors, grains or textures, or surface hardness of such materials. The Seller also does not guarantee the colorfastness of fiberglass panel surfaces. THE EXPRESS WARRANTIES CONTAINED HEREIN ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE AND ALL OTHER WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. The remedies provided above are the Purchaser's sole remedies for any failure of Seller to comply with its obligations regarding the workmanship of its Products. Correction of any nonconformity in the manner and for the period of time provided shall constitute complete fulfillment of all liabilities of Seller, with respect to or arising out of the Product furnished hereunder.
Delay/Force Majeure	Seller shall not be liable for failure to perform or for delay in performance due to fire, flood, strike or other labor difficulty, act of God, act of war or terrorism, act of any governmental authority or of the Purchaser, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials or manufacturing facilities from usual sources or failure of suppliers to meet their contractual obligations, or due to any cause beyond its reasonable control. If any such event occurs, Seller may extend delivery dates by a period of time necessary to overcome the effect of such delay, allocate available Product or cancel any purchase order.
Compliance with Law	PURCHASER IS SOLELY RESPONSIBLE FOR COMPLIANCE WITH ALL APPLICABLE FEDERAL, STATE AND LOCAL LAWS, ORDINANCES, REGULATIONS, RULES AND STANDARDS RELATING TO THE INSTALLATION, MAINTENANCE, USE AND OPERATION OF THE PRODUCTS.
Patents	Subject to the following provisions, Seller shall, at its own expense, defend or, at its option, settle any claim, suit or proceeding brought against the Purchaser, and/or its vendees, mediate and immediate, so far as based on an allegation that any Product or any part thereof furnished hereunder constitutes a direct or a contributory infringement of any claim of any patent of the United States or Canada. This obligation shall be effective only if Purchaser shall have made all payments then due hereunder and if Seller is notified promptly in writing and given authority, information and assistance for the defense of said claim, suit or proceeding. Seller shall pay all damages and costs awarded in such suit or proceedings so defended. The foregoing indemnity does not apply to the following: • Products supplied according to a design other than that of Seller, and which is required by the Purchaser. • Combination of the Product with another product not furnished hereunder unless Seller is a contributory infringer. • Any settlements of a suit or proceeding made without Seller's written consent.
Limitations of Liability	SELLER, ITS CONTRACTORS, AUTHORIZED DEALERS AND SUBCONTRACTORS OR SUPPLIERS OF ANY TIER SHALL NOT BE LIABLE TO PURCHASER FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM A BREACH OF THIS AGREEMENT. Purchaser's remedies set forth herein are exclusive and the liability of Seller with respect to the breach of this agreement or any contract entered into between the parties pursuant hereto shall not exceed the price of the Product or part on which such liability is based.

General Ordering Information

The Products

This guide encompasses all standard products for this product group.

Sizes

Dimensions listed in this guide are indicated as:

H = height

W = width

D = depth

Dia. = diameter

Rad. = radius

Pricing

All prices shown are list.

How to Order

Select pattern numbers and quantities required for your complete installation. Product questions can be addressed in the specific sections of this guide or by contacting your sales representative or customer resource representative at 1-800-343-5665.

Next, select options (if required), along with colors and finishes appropriate to each product. Reference the Finishes and Fabrics pages for color designations.

On large installations, an item's "designated area" can be specified to assist in product organization and handling.

To expedite complete / correct entry of your order, be certain all pattern numbers, quantities, colors and area identifications are completely specified. Also, include complete purchase order numbers, bill-to and ship-to addresses, a contact name and specific factory shipping dates required.

Mail all orders to:

Knoll, Inc.
1235 Water Street
P.O. Box 157
East Greenville, PA 18041
Attention: Order Entry

Once your order is entered at Knoll, an acknowledgment will be mailed to you. You will be advised of your scheduled shipping date within five days of the original acknowledgment. If it is necessary to revise your order, please contact your customer resource representative.

Sustainability Statement

Sustainable design is a key component of Knoll's environmental focus. Our commitment to social responsibility and a healthy environment has prompted us to further articulate our longstanding environmental programs and, with encouragement and support from our colleagues in the industry, we have re-energized our focus on such "green" initiatives as life cycle analysis and LEED™ certification. Knoll is proud to have contributed to projects that have received LEED certification from the U.S. Green Building Council.

For the latest information on Knoll products that help our customers achieve LEED certification, log on to knoll.com, click on "About Knoll" and then "Environmental Focus."
