Mattiazzi Solo Chair Outdoor

**Designer**

Studio Nitzan Cohen for Mattiazzi

Original Production Date

2012

Warranty

2 years

A blend of Mattiazzi's woodworking expertise and Nitzan Cohen's attention to detail, the outdoor version of the Solo Family's solid-wood chair is beautifully functional anywhere people gather in the open air. Featuring half-moon armrests, a circular seat, and rounded legs, it is constructed from a material that acts durably, whether on a porch, in an all-season room, or in a public setting.
