

2. ATTACH NEATUP TO MOUNTING BRACKET

NOTE: Ensure the housing is securely locked in place.

3. ATTACH NEATUP TO TABLE'S FOOT

iii

iv

v

4. VERTICALLY ALIGN NEATUP WITH TABLE LEG

5. CONNECT ELECTRICAL COMPONENTS

NOTE: If Humanscale's NeatTech is installed, insert powerstrip inside the NeatTech as shown above.
If NeatTech is **NOT** installed, mount the powerstrip directly underside of the work surface.

Connect wall plug to power source.

6. TEST THE SYSTEM BY MOVING TABLE UP & DOWN
