Modern tables for collaboration today.

With a contemporary feel and modern aesthetic, Verlay™ is a collection of thoughtfully designed wood tables that support teams in any space—from large conference rooms to small project rooms and every touchdown space in between.

IM#: 18-0110569

An aesthetic to match your style.

Minimal in nature, the Verlay™ collection of collaborative wood tables adds warmth and comfort to the workplace. Thinner tops, organic shapes, solid wood and metal legs, and tasteful color accents come together to create bold statement pieces or classic staples that complement the existing look of a space.

IM#: 19-0120987

Versatile performance.

Verlay is available in numerous sizes and 10 unique table forms, ranging from round to rectangular and organic. With seated and standing height options also available, each capable of supporting power and USB A and C, workflow progresses seamlessly in any environment.
