Product Environmental Profile – Sonata™

This information applies to Sonata™ Patient Block

Environmental Attributes

Product Category	— Modular Casegoods
Certifications	— level® 1 certified to ANSI/BIFMA e3 Furniture Sustainability Standard
LEED Contribution	— Recycled content — Regional materials — Sustainable purchasing — Furniture and medical furnishings — Design for flexibility
Environmental Facts	— 13% recyclable — 36% recycled content

Recycled Content Summary

Total Weight (lbs) 245.8

Recycled Content (lbs)	88.1	Recycled Content	36%
Post Consumer (lbs)	2.2	Post Consumer	1%
Pre Consumer (lbs)	85.9	Pre Consumer	35%
Recyclable Content (lbs)	31.8	Recyclable Content	13%

Disclaimer

Numbers may vary based on model and options selected. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.

Product Environmental Profile – Sonata™

This information applies to Sonata™ Patient Block

Program	Category	Item	Contribution
LEED-INTERIOR DESIGN & CONSTRUCTION (formerly LEED-CI)	Materials & Resources	MR 4 (recycled content)	Post-consumer (1%) + ½ pre-consumer (35%) = 18.5%.
	Materials & Resources	MR 5 (regional materials)	Sonata™ Patient Block is assembled in Grand Rapids, MI. Projects ≤ 500 miles from this location qualify.
LEED-DESIGN & CONSTRUCTION (formerly LEED-NC, LEED-Core & Shell & LEED-Schools)	Materials & Resources	MR 4 (recycled content)	Post-consumer (1%) + ½ pre-consumer (35%) = 18.5%.
LEED-OPERATIONS & MAINTENANCE (formerly LEED-EB)	Materials & Resources	MR 2.2 (sustainable purchasing – durable goods)	Exceeds the ≥ 10% post consumer **or** ≥ 20% pre-consumer criteria.
LEED for Healthcare	Materials & Resources	MR 5 (furniture and medical furnishings)	May contribute toward 1 point awarded for 30% or 2 points for 40% total value of freestanding furniture and medical furnishings because it meets one or more of the three options for this credit . **OPTION 3 -** Sustainably Sourced Material Criteria (per MR Credit 3) •Recycled Content value is determined by multiplying the recycled content percentage by the cost of the assembly. The recycled content percentage is: [post consumer (1%) + ½ pre consumer (35%) = 18.5%] **or** •The value of all materials manufactured locally within 500 miles of the project site is included. Sonata™ Patient Block is assembled in Grand Rapids, MI. ***Note: MR Credit 3 defines the sustainability criteria for use in MR Credit 5. To avoid double counting, furniture and medical furnishings contribute to MR Credit 5 and <u>not</u> MR Credit 3.***
	Materials & Resources	MR 6 (design for flexibility)	May contribute toward 1 point awarded for the use of movable/modular casework for a minimum of 50% of casework and custom millwork. (Calculation is based upon the combined value of the two elements, as determined by the cost estimator or contractor).

Indoor Advantage™ and Indoor Advantage™ Gold are trademarks of SCS Global Services. Cradle to Cradle Certified™ is a certification mark licensed by the Cradle to Cradle Products Innovation Institute.

Refer to www.usgbc.org for LEED Program details. Steelcase products may contribute in a number of areas. For additional information contact your Steelcase dealer or the director of Global Environmental Performance (616.247.2996).

Other Credit Contributions

Although not specific to this product, Steelcase has other corporate wide programs that can help support certain LEED credits. For example, many of our products can be blanket shipped, or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.

Also, both product longevity and the Steelcase Phase 2 Program for end of life reuse/recycling support Materials & Resources credits for Material Reuse, Furniture & Furnishing Reuse, or Source Reduction & Waste Management.
