

# Maari™

## Seating Details

Maari is a family of seating offering a warm aesthetic, creating balance within a space.

Maari is everywhere – providing complete comfort to support many seated activities in a variety of spaces throughout an eight-hour day. Based on a one-piece, textured, molded shell – the same for all chairs – Maari brings interiors to life through simple specification for a range of applications.

HAWORTH®

# Maari Features

Maari offers a fresh, expressive design that allows for adding personality and aesthetic continuity through finishes and colors. Choose from a mix of materials, nine shell colors, and matte paint options for variety and warmth. Select colors are available for a monochromatic look with matching shell, base, and arms.

## Textured Shell

- Available in 9 colors
- With or without upholstery

## Arms

- Available with or without arms
- Enables a variety of workstyles

## Casters or Glides

- Option available on 4-leg chair
- Provides choice in stationary or mobile activity

# Maari Statement of Line

One chair, many spaces. One Shell, many bases. Maari offers numerous functional combinations in one chair line to specify in almost any setting. The statement of line is rooted in a one-piece, textured, molded shell that is the same for all chairs for simplicity of specification. Choose any base with the same shell.

## Stacking Capacities

- The Sled Base stacks 5 high on the floor and 16 high on the Very wire stacker cart.
- The 4-Leg Base stacks 5-high on the floor.

# Maari Finish Options

Maari offers a broad range of finishes for flexibility across a floorplate. Specify the shell, or just an upholstered seat or an upholstered seat and back. (A subset of the standard fabric offering is available.) Nine shell colors, six frame colors, and three wood base finishes. Create a monochromatic look with select colors by matching the shell, base, and arms.
