

Create a safer, tidier, more organized workspace.

Effective cable management will reduce accidents and prevent damage to your data and power cables. Adapt's cable management range will help clear and organize the chaos from desk to floor, creating easy access to high volumes of wires. Our cable management products are available in different sizes and the length can be customized to suit any workspace, including sit-stand desks.

Cable Basket

Key features:

- Spacious basket can hold a large capacity of under-desk cabling
- Securely fixes under your work surface
- Standard lengths range between 800mm to 1,800mm / 2.5" to 70.87"

- Carries cables in any direction
- Secure weighted top and base that grips to all floor types
- Application tool to thread cable through spine
- Black or Grey color options

Key benefits:

- Perfect choice for height adjustable desks
- Eliminates appearance of unsightly cables
- Cables securely fixed out of harm's way
- Quick and easy to install and thread cables

Environmental design

At Adapt we carefully consider environmental factors in every stage of our product cycle. This includes selecting environmentally friendly materials during design, manufacturing, packaging, and shipping.

Adapt aftercare

Research shows that to achieve the full benefits from ergonomic products, employees should be trained to use them properly. As part of our service, training is available to ensure you make the most of your furniture and accessories.

Superior products

Every Adapt product is made from the highest quality materials and goes through rigorous testing before it becomes available on the market. That's why all Adapt manufactured products come with a lifetime guarantee, giving you peace of mind.
