

Everything you need at your fingertips...

Keep your desk organized and free from clutter.

A well-designed workspace helps you increase productivity and work in greater comfort. Having the items you need at your fingertips - rather than always stretching for them - gives you more time to focus on the task at hand.

Adapt offers a range of stylish, ergonomic products to organize and store items conveniently, helping to boost productivity and focus.

Our desk accessories include tool rails, desk drawers, storage boxes, shelves, and trays, many of which you'll find nowhere else but all of which will help you maximize the use of your workspace.

SpaceBeam I & II

The Space Beam I is the ideal tool rail for mounting your task related equipment and materials within optimum reach, maximizing workspace utility and ergonomics.

Environmental design

At Adapt we carefully consider environmental factors in every stage of our product cycle. This includes selecting environmentally friendly materials during design, manufacturing, packaging and shipping.

Adapt aftercare

Research shows that to achieve the full benefits from ergonomic products, employees should be trained to use them properly. As part of our service, training is available to ensure you make the most of your furniture and accessories.

Superior products

Every Adapt product is made from the highest quality materials and goes through rigorous testing before it becomes available on the market. That's why all Adapt manufactured products come with a lifetime guarantee, giving you peace of mind.
