Flurry

Get swept away with Flurry, a high-density polypropylene stack chair that radiates charm and character. Ideal for training rooms, meeting areas, auditoriums, convention centers and more, Flurry offers functional ganging capabilities and can also stack up to 25-high for space-saving convenience. With eight contemporary colors to choose from, it's sure to be the bright spot in any room.

2410-40 Cocoa

Signature cutouts enhance the contoured back and waterfall seat design.

2410-44 Sky

With or without ganging connectors, all Flurry chairs stack 10-high from the floor or 25-high on dolly.

Optional clear ganging device connects individual models with ease.
