VUELO

Johnson Chou

Cern Table: figforty

VUELO™ features smooth contours and appealingly soft upholstery over the entire surface affording Vuelo™ its comfortable and inviting appeal. With an eye for detail, each line and every curve has been designed to balance maximum comfort and functionality. The backrest and the armrests are separate but almost appear as one while offering additional lumbar support and a generous seat. Available in both high and low back, Vuelo™ imparts a sense of refinement and luxury. The low profile polished aluminum 5-star base is available with casters or glides, making this chair perfect for executive offices as well as formal conference and small meeting spaces.
