HOW TO ORDER NIENKÄMPER TABLES

-
- Select a Table:** By using the table of contents, choose the style of table required: side, coffee, conference, or dining. To help find a table suitable for your needs we have provided line drawings and photography of each throughout this section. You can also go to www.nienkämper.com for a full listing of products and color images.
- Specify Top Details:** Nienkämper wood top tables are available in all standard Nienkämper veneers and stains, refer to pages 5-8 for a listing. Any exceptions are noted on each page.
- For tables available with a veneer pattern, refer to page 5 for details. Specify your veneer pattern choice at the time you place your order. Tables that are available with an optional veneer pattern are identified in the notes section at the bottom of each page.
- Specify Base Details:** At the bottom of each page are notes indicating base finish. Review these notes and specify your finish selection at the time you place your order.

Nienkämper table designs are available as standard pricing with particular patterns on specific shapes and sizes. Refer to the notes at the bottom of each page for details. The veneer patterns shown above are suggestions for Nienkämper tables. Contact Customer Service at 800.668.9318 for assistance.

VENEERS

All wood surfaces are protected with a durable polyurethane clear laquer with UV inhibitor. This finish is known for its exceptional durability, as well as abrasion, chemical, impact and scratch resistance. Standard sheen level is 45 degrees. Optional 10 and 35 degree sheen levels are available on request at no additional cost.

Wood Species	Order Code	Veneer/Stain	Upcharge
Maple	F-01	Natural Maple	No upcharge applies.

VENEER GRAIN OPTIONS

Nienkamper products utilize the best quality veneers available, and, combined with Nienkamper's patented veneering systems, create work environments of incredible quality and beauty.

All veneer furniture comes standard with flat cut book-match veneer; flat cut slip-match veneer can also be specified. Quarter cut slip-match and quarter cut book-match veneers are available at a 5% upcharge. Figured Anagre and Figured Sycamore veneers are Quarter cut book-matched. Bird's Eye Maple and Curly Maple are rotary cut.

Facet Edge, Taper edge and Flowform edge tops with veneer are manufactured with a solid wood edge. All edges are then veneer wrapped to create a seamless profile top.

Wood grain plastic laminate surfaces are available on table tops with Facet and Taper edges.

These tops are manufactured with a solid wood edge that is applied prior to the laminate top surface. This method conceals the thickness of the wood edge, while providing the durability required. Wood edges are selected that most closely resemble both the species and the color of the laminate chosen

Nienkämper has pre-selected a number of standard wood grain plastic laminates that represent a cross section of both color and species. Simply include the order code with the model number to make these selections. Alternatively wood grain plastic laminates selected outside of Nienkämper's standard selection can be made by specifying the manufacturer as well as the description and model number of the laminate at the time of order. Note: for Facet edge tops the laminate must be a post-forming grade.

Wood Grain Plastic Laminate Surfaces	Order Code	Manufacturer #	Finish
Champagne Sagawood	WL1	Nevamar WM8349T	Textured
Hardrock Maple	WL2	Pionite WM791-SD	Textured/Suede

Sanara	WL21	Wilsonart 7932-78	Fine Grain
Windsor Mahogany	WL22	Wilsonart 7039-78	Fine Grain
Williamsburg Cherry	WL23	Wilsonart 7936-78	Fine Grain
Florence Walnut	WL25	Wilsonart 7993-78	Fine Grain
Skyline Walnut	WL26	Wilsonart 7964K-12	Soft Grain
Sterling Ash	WL27	Wilsonart 7995-78	Fine Grain

To specify the wood grain laminate required simply add the Order Code WL_ to the model number of the product.

Wood grain laminate samples are available from your local sales representative or by calling Nienkämper's customer service department at 1-800-668-9318.

P-LAM

FINGERPRINT RESISTANCE P-LAM

Fingerprint Resistance Plastic Laminate is an innovative material created for interior design applications and is suitable for both vertical and horizontal interior applications on our nienkamper furniture.

The external surface of Fingerprint Resistance Plastic Laminate involves the use of nanotechnology made possible by next generation acrylic resins.

The unique composition offers extraordinary features coupled with a unique user experience. These include an ultra matt surface (eliminating glare), an ultra sofa feel, an anti-fingerprint surface, thermal healing of micro-scratches, increased durability as well as anti-bacterial and mold-resistant properties.

Edgeband with matching color to the Fingerprint Resistance Plastic Laminate is only available on taper edge. For 1" or 1-1/4" thick top with self edge, same Fingerprint Resistance Plastic Laminate can be specified for the self edge or it can be in clear/silver translucent edge.

There is a 10% upcharge on our standard plastic laminate table pricing for Fingerprint Resistance Plastic Laminate.

Standard features:

- Tops are 1¼" thick, available in all standard Nienkamper veneers and plastic laminates
- Table edges are offered in 3" taper and self.
- Solid oak, maple or walnut legs, available in all Nienkamper stains.
- 4" radius (soft) corners are standard.
- Optional lower shelf with powder coated aluminum edge, available in Nienkamper powder coat finishes.
- Tables compatible with most Nienkamper integrated connectivity and power solutions.

	2268	36	36	17	pattern veneer	2,855	3,520	3,750		

Optional veneer patterns for Max tables:

To order a Max table, select table model number and add the base model number.

When specifying a pattern veneer top, include the table model number and base model number.

Max side table glass tops are attached; coffee table glass tops rest on the base.

All bases are wood and available in standard Nienkämper veneers and stains. To custom match stains add \$570 list for each stain color.

Standard Features:

- Tops are 1¼" thick, available in all Nienkamper standard veneers and plastic laminates.
- 3" Taper and self edge available.
- Solid oak, maple or walnut legs and can be stained in all Nienkamper finishes.
- All tables with 2-piece tops include a center plinth base with lift off access panels.
- Foot rails are typical to all standing height configurations and are powder coated to match stretcher rail.
- Tables compatible with most Nienkamper integrated connectivity and power solutions.

Standard Features:

- Tops are 1¼" thick, available in all Nienkamper standard veneers and plastic laminates.
- 3" Taper and self edge available.
- Solid oak, maple or walnut legs and can be stained in all Nienkamper finishes.
- All tables with 2-piece tops include a center plinth base with lift off access panels.
- Foot rails are typical to all standing height configurations and are powder coated to match stretcher rail.
- Tables compatible with most Nienkamper integrated connectivity and power solutions.

ACCESSORIES

Trix Table Design – Nienkämper

	Model Number	Top Dia."	Base Dia."	H"	Neather	LEATHER Verde	Grano
TRIX SINGLE							
	943	4		22	480	495	495
TRIX DOUBLE							
	944	8		22	495	530	530

Trix Tables are constructed of a heavy metal base encased in polished aluminum. The top is aluminum and is inlaid in Nienkämper Verde or Grano leather. Neather, a high quality vinyl, can also be specified for extra durability.

Inlaid leather or Neather can be embossed with corporate logos or names.

These tables come in a hexagonal box with carrying handle for extra portability and make a perfect corporate incentive gift.
