## Senator™ Nuvo

Nienkämper

The Senator® Nuvo chair takes timeless design and comfort to a new level. It is the latest addition to the Senator Collection for conference rooms, meeting spaces, executive offices, and general work areas.

### Shell:

Reinforced rigid polyurethane frame with a padded seat and back. These pads are made of soft polyurethane foam. Upholstered in leather or fabric, with or without channel stitch detail.

### Arms:

Standard oval tubular metal arms are available on model number 14107.

### Base:

Standard features include pneumatic height adjustment, back tilt locking mechanism, tension control, carpet casters and black five star base.

Optional features include hard floor casters, glides and polished aluminum five-star base.

Visitor chairs with similar upholstery and solid bar stock with metal frame or oval tubular metal frame are also available.
