Hocker Office Stool

Nienkämper

The Hocker Office Stool with its generously cushioned seat provides extra comfort and features a pneumatic height adjustment, and a black six caster disc base in high performance polyamide.

The Hocker Office Stool is also available in a counter height which is ideal for touch down tables or other bar height areas. The counter height option features a pneumatic height adjustment as well as a height adjustable chromed foot ring for all-day comfort. The Hocker Office Stool is available in a vast array of colors in Verde, Grano or Cremoso leathers.
