CORBU

Nienkamper

Elegant and versatile, wonderfully simple. Corbu benches and ottomans reflect a contemporary aesthetic and timeless design. Corbu is perfect for any modern or classic environment with its beautifully tufted upholstery and elegant frame, it offers a strong design aesthetic with minimal use of space. Ideal for use in public spaces, hospitality lounges and private offices, this seating is versatile and flexible. Corbu is characterized by its understated elegance, clean lines and remarkable attention to detail. The base is made of tubular steel with polished chrome finish. Corbu benches and ottomans are unapologetically simple, enduring design.
