

Allsteel®

Scout®

# Scout unites simplicity with high-performing functionality.

With the right blend of function and style, Scout offers exceptional value. A slim, sleek back profile is designed to be both contemporary and comfortable, combining modern aesthetics and versatile functionality. Its durable construction was developed to withstand active environments while accommodating multiple workstyles. Scout is a simple solution for any office application.

## **Mesh**

A suspension mesh back design regulates temperature for long-term comfort.

## **Fabric**

A broad offering of colors and patterns.

## **Leather**

A fitting selection for private office or conference applications.

## Forward thinking is on point for Scout.

Scout goes beyond the expected to provide more comfort, more durability, and more options with less complexity. Choices include adjustable arms, loop arms, or armless; contemporary mesh or upholstered back; and work chairs or work stools. Simple decisions that lead to enhanced comfort without sacrificing style.

More Practical.

Simple Solution.

**Affordable**

Comfort, quality, and contemporary design. Everything you want, at a price you can afford.

**Durable**

Steel back frame and die-cast aluminum arm uprights provide exceptional quality.

**Comfortable**

Suspension mesh back structure promotes healthy sitting and back support.

**Intuitive**

Simple levers that are easy to find, understand, and use.

**Functional**

Adjustable arms, back, and seat ensure proper fit for every size.

**Contemporary**

Attractive, thin-profile design blends well into any office environment.

# Scout covers a wide range of territory.

Open plan. Private office. Conference rooms. Any way you look at it Scout is always in the right place.

Scout is forward thinking when it comes to our environment. Every chair is shipped ComPacked™ and ready to assemble to reduce packaging waste and lessen environmental impact.

# Scout
