PARADOLIA™ SCREENS & SUSPENSION PANELS

A-Frame Mobile Screens

Planning

Statement of Line	➤ See page PD.2
Planning	PD.3
Pricing	PD.5
Surface Materials	PD.7

A-Frame mobile screens provide space division or create impromptu gathering spaces.

Medium A-frame mobile screen is 46"W x 57"H with a tackable fabric surface. Medium screen can nest inside a large screen for optimal storage when not in use.

Screens are available in two fabric selections:

- Blazer Lite Retreat (grade 2)
- Blazer Lite Solace (grade 2)

COM is not available.

Large A-frame mobile screen is 46"W x 71"H with a tackable fabric surface.

Dual-sided, magnetic marker-board saddle, specified separately, provides two 18-gauge metal, white writing surfaces, one for each side of the A-frame mobile screen. Three 10 $\frac{5}{8}$ "-long leather straps—available in Camel, Chestnut or Ebony—suspend the markerboard over the A-frame mobile screen.

KORE™ magnetic marker/eraser holder, specified separately, keeps markers and erasers close by. Holder accommodates four markers and one eraser.

Four, non-locking casters are standard on each mobile screen.

IMPORTANT: Expo dry-erase markers are recommended for use on markerboards. All other markers are not recommended, as they may leave undesirable results when erased.

Acoustic Rating:

A-Frame Mobile Screens
NRC = .9

PARADOLIA™ SCREENS & SUSPENSION PANELS

Suspension Rods & Panels

Planning

Statement of Line	➤ See page PD.2
Planning	PD.3
Pricing	PD.5
Surface Materials	PD.7

Suspension rods and panels are both decorative and functional. Panel surface is tackable fabric.

Suspension rods are made of birch wood and available in a variety of finishes. They are available in three sizes.

Pre-drilled pilot holes on front of suspension rod are standard for attachment of rod to a wall.
IMPORTANT: Selection and purchase of the proper attachment fasteners for the wall conditions is the responsibility of the installer.

Large (93"W) suspension rod supports two or three suspension panels and comes standard with six leather straps.

Medium (61"W) suspension rod supports two suspension panels and comes standard with four leather straps.

Small (30"W) suspension rod supports one suspension panel and comes standard with two leather straps.

Suspension panels, specified separately, are 29½"W x 19"H. Panels are available in four fabric selections:

- Cara Shetland (grade 1)
- Cara Merrick (grade 1)
- Blazer Lite Retreat (grade 2)
- Blazer Lite Solace (grade 2)

Leather straps are available in Camel, Chestnut or Ebony; they ship standard with the rod to suspend a suspension panel.

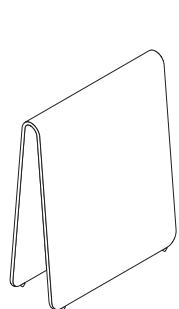

Acoustic Rating:

Suspension Panels and Rod
NRC = .8
