

# Parts Diagram

Ruckus™ Collection

Stack Stool with and without Bookrack

September 2021

**Note:** Ruckus stool frames are designed/sized in the factory for either castors or glides.

## Changing Caster Stool to Glide Stool

Option 1: Replace the caster stool frame with a glide stool frame using the RKRF part number.  
Option 2: Replace stem caster with non-standard stem bell glide (10.0150.X).  
Will add approximately 1/4" to height of chair.

## Changing Glide Stool to Caster Stool

Option 1: Replace the glide stool frame with a caster stool frame using the RKRF part number.

.XX = Select Color or Fabric

RKRSC includes 12.0055.CZ.X.

RKRF includes the frame and glides attached at the factory.

Item 14 glide cap removal tool (not shown) is used to remove old glide caps for replacement of felt caps. See KI-RR-000030 for instructions.

**Note:** If Item 14 is out of stock, a flat head screw driver can be used to remove felt cap.
