Juxta

Our working lives are a series of juxtapositions.

We break out into a casual one-on-one in the middle of a formal meeting. We are quietly absorbed in an email thread during a spirited group brainstorm. We sit up, lie back, or lean in as we converse or have a coffee. These contrasting rituals live side by side, in both opposition and harmony. Perching, standing, lounging, sitting.

Collaborate – to work with others. In collaboration there are times we come together and times we go away to contemplate – a series of juxtapositions. Juxta addresses the opposites at play in the daily routines of meeting and thinking.

- Formal meeting height tables and chairs for planned times.
- Sit/stand bar for impromptu sessions.
- Go anywhere stools with tablets.
- Lounge-height meeting tables with complementary low-back or high-back chairs for casual gatherings.
- Private time lounge chairs with ottomans.
- Versatile tablets for tablets or tea.

Beautifully designed with organic shapes and rounded lines to appeal to our innate desire to be surrounded with curved objects, Juxta is a set of parts that can be combined in countless ways to address our varying situations: lightly scaled wire and tubular bases; pedestals with 4-star on glides or 5-star on caster bases; comfortable molded bodies, some with built in flex/tilt; optional tablets that can rotate from right to left hand; tables at occasional, lounge, meeting, counter and bar heights, with or without power.

Every collaboration is a
Juxta moment.
