FEATURES + ADJUSTABILITY

Versatile fit

Available in a variety of heights, widths and bracket options, Universal Hard Surface Screens can be applied to virtually any fixed or height-adjustable desk or worksurface. Choose from two looks that blend with settings of any style: a transparent design offers complete visual connection, and a semi-transparent fluted design provides a degree of visual privacy.

Easy to add and move

An affordable, high-value upgrade, Universal Hard Surface Screens are simple to install, remove and reuse. Plus, they clean with ease to support new office health and safety protocols.
