ADD YOUR VIBE

Style Backed by Performance

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, modular and broadloom carpet, and resilient flooring. Simplify your flooring projects by working with a trusted partner that lets you focus on enjoying the process of creating a great space.

Milliken™

WARRANTY

Our products are backed by lifetime commercial warranties that ensure quality and give peace of mind.

SUSTAINABILITY

Milliken carpet, LVT, and entrance flooring tiles are carbon neutral everywhere in the world. As part of our M/PACT™ carbon neutral program, great care is taken when selecting materials, our carpet materials are Red List Free and PVC Free.

MOISTURE MANAGEMENT

Milliken modular carpet is a moisture mitigation solution all by itself. Our carpet's WellBAC® open-cell backing allows the floor to breathe and moisture to evaporate, unlike hardback products.

STAINSMART®

StainSmart provides lifetime resistance for your carpet against penetrating stains and soil.

WELLBAC® CUSHION

WellBAC® cushion provides superior underfoot comfort while improving the carpet's durability and offering ergonomic, acoustic and environmental benefits.

TRACTIONBACK®

Our bio-based, high-friction coating keeps carpet tiles securely in-place without additional adhesives, eliminating the need to prime or seal the floor, thereby reducing installation time and costs.

SUSTAINABLE FEATURES

Remix Remastered Trimline is manufactured with WellBAC® Comfort cushion backing, and is certified NSF-140 Gold with over 40.9% pre-consumer recycled content by total product weight. **Remix Remastered Trimline** is also available with our NSF-140 Platinum backing option. All Milliken modular carpets carry Environmental Product Declarations and Health Product Declarations, which contribute to LEED certification. Additionally, Milliken modular carpets carry Declare® transparency labels and comply with the Red List Imperative of the Living Building Challenge.™

TRACTIONBACK®

Simplify your modular installation with Milliken's patented TractionBack®, an innovative backing system that is faster, more cost efficient, and environmentally superior to wet adhesives and peel-and-stick carpet tile.

Declare.

Images in this brochure and architect folder are approximate for color and pattern scale. Please use actual carpet samples to make your final selections.
