APPLICATION Walls

DESCRIPTION The Madera Plank Collection elevates the use of printed product to mirror that of a traditional tongue and groove wood panel product, in 100% sound-absorbing PET. Madera is available in 8 standard wood grain digitally printed finishes and can be easily installed using adhesive for most any type of application.

Installation: Madera Planks are lightweight and ready to install out of the box. The tiles may be adhered to multiple types of wall substrates by use of general construction adhesive.

Please Note:

- Madera Planks are provided with a 3/16" beveled edge on all sides and may be mixed in certain quantities depending on the dimensions. Please refer to the following page for the details on mixing Madera sizes.
- Madera Plank widths are nominal to typical lumber sizes.
10" Planks are 9.5" actual
8" Planks are 7.5" actual
6" Planks are 5.5" actual

Designed for the Environment: Madera is produced with 100% PET and can be recycled.
