ENDZONE

Make a Team Play with **EndZone**

EndZone, our contemporary collaborative table, features a top with a 2" built-up edge and comes in three different heights. Specify with one of two end panel designs, with or without power, in a wide range of sizes and finishes.

Whether it's a study session with a peer or a meeting with a colleague, EndZone meets the needs of many environments.

8" Plinth Base

2" End Panel

PRODUCT FINISHES

Repeat Dot Ring, Pink;
Momentum Cover Cloth,
Graphite

(Left) EndZone with 2MM PVC Edge and 2" End Panels; (Right) EndZone with 2MM Bio Edge and 2" End Panels; Urban Chairs; Bud Stools

Score Higher Productivity

EndZone instantly makes spaces more productive with a comprehensive line of power and communication options. Choose a Power Access Door for high-powered meetings, or simplify your design with Power Modules for collaborative areas and touch-down workspaces. Clean lines and a simple aesthetic are maintained with wire management options on both 2" End Panel and Plinth designs.

EndZone 2" End Panel is available with or without Rectangular Vertical Wire Managers, Power Modules or a Power Access Door.

PRODUCT FINISHES

Top & Base:
Wilsonart 8210K-28
Trough: RAL 9016
Chair Upholstery:
Maharam Aria, Prim

Footrest available on Plinth and 2" End Panel designs

EndZone with Self Edge and 2" End Panels; Urban Stools

Undersurface trough is standard on all EndZone models, available in 76 Spectone colors.

For increased durability over self edge, specify our 2mm Bio Edge on table tops and 2" End Panels.

Kickplate on Plinth is standard in HOMAPAL 441 Brushed Natural Aluminum.

Make It Your Own

Specify EndZone with dual laminates for a striking design detail. Add a different laminate color on the inside end panel to contrast with or complement the undersurface trough and Vertical Wire Managers.

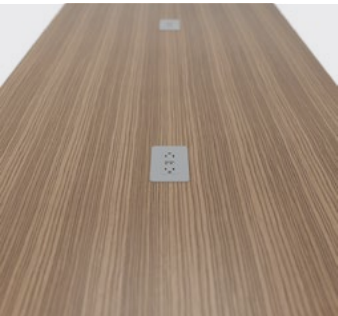

PRODUCT FINISHES
Top & Outside Panels:
Wilsonart D354-60
Inside Panels:
Nevamar S1027

Choose from Power Modules with various options to meet your specific needs. Power Modules can be added in a number of locations on your EndZone table to ensure functionality is never compromised.

Power Modules

Two simplex and two USB chargers

Top of table with power

Add power to sides of panels

Add power to front or side of the Plinth Base

Wire Management

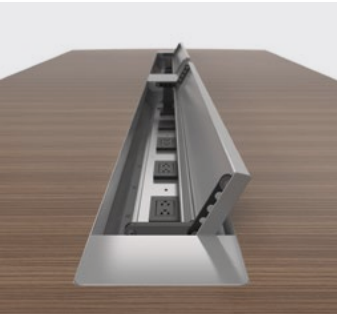

Vertical Wire Manager available on 2" End Panel

Plinth Bases standard with removable door

Power Access Door

Dual Hinged Power Access Door comes standard with power; communication ports specified as required

Sizing Up

With a variety of standard sizes available, it's easy to find a solution that fits your space. EndZone offers a 2" built-up edge. Table top extends 5/16" beyond the end panel. All EndZone tables ship **knocked down**.
