Magis Chair_One Stacking Base Outdoor

Designer

Konstantin Grcic for Magis

Original Production Date

2003

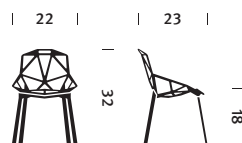

Design for the Environment

68% recycled content; 99% recyclable

Warranty

2 years

Prepped for the elements and easy to stack, Konstantin Grcic's outdoor stacking chair adds unexpected beauty and comfort to any outside setting. Available in a painted aluminum frame finish, the design is an inventive combination of structure and comfort—an unusual form modeled from die-cast aluminum. Sold in sets of 2.

4-Leg Base
