Magis Air-Chair Outdoor

Designer

Jasper Morrison for Magis

Original Production Date

2000

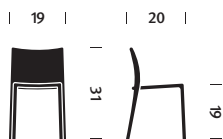

Design for the Environment

0% recycled content; 100% recyclable

Warranty

2 years

Simple, comfortable, and never ordinary, this innovative plastic chair by Jasper Morrison was the first design conceived around the process of air-molding plastic. The high-quality, lightweight, and stackable seating adds style and utility to any outdoor setting, casual or elegant. It's available with or without arms in a variety of playful colors. Sold in sets of 4.
