

E10

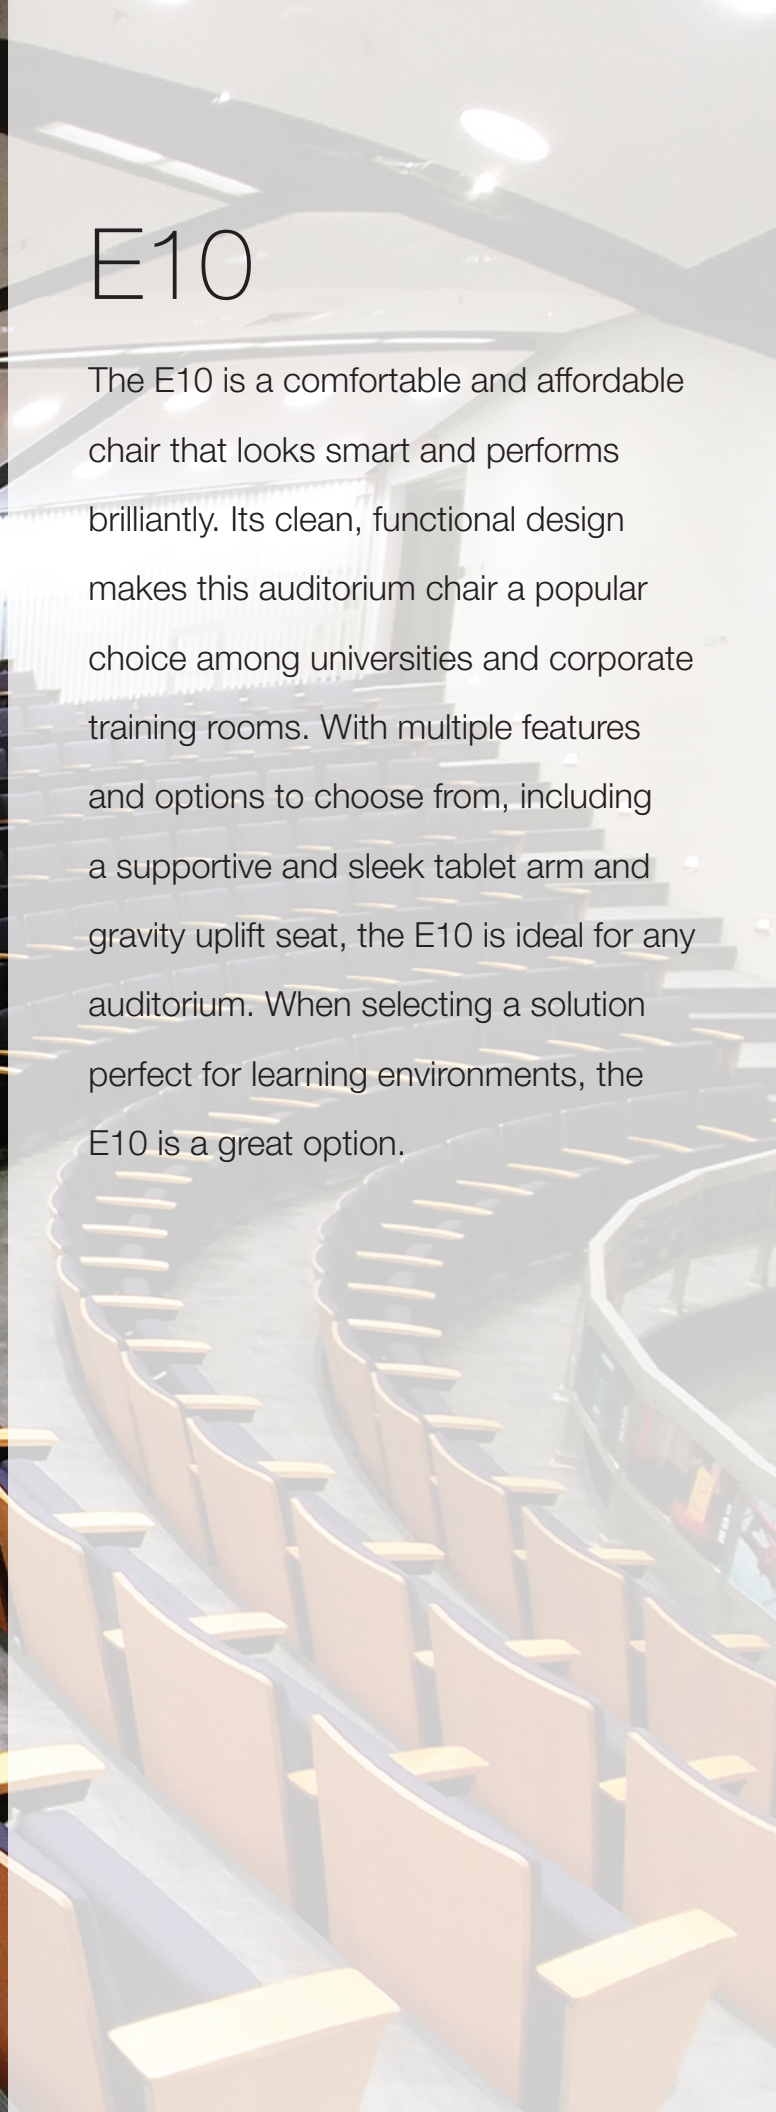

# E10

The E10 is a comfortable and affordable chair that looks smart and performs brilliantly. Its clean, functional design makes this auditorium chair a popular choice among universities and corporate training rooms. With multiple features and options to choose from, including a supportive and sleek tablet arm and gravity uplift seat, the E10 is ideal for any auditorium. When selecting a solution perfect for learning environments, the E10 is a great option.

# Highlighting Design

## Gravity Uplift Seat

Gravity uplift seat with counterweight mechanism allows the seat to return to its vertical position when unoccupied.

## Pedestal Supports

Heavy gauge tubular steel provides a durable structure; featuring scratch resistant black powder coat paint.

## Tri Pivot Mechanism

Nylon pivot block and tri-pin mechanism rotates on center pin with two load distributing stop pins for increased strength.

### Anti-Panic Tablet Arm

8mm black phenolic tablet with anti-panic movement folds away for maximum aisle clearance and ease of use.

### BioComfort Polyurethane Foam

Fully upholstered seat and back cushions utilize high quality, environmentally friendly BioComfort® foam.

### Seat Dampener

Polyurethane seat pivot dampener provides quiet seat return.

### Wire Management

A variety of power and USB options attach directly to the support frame for an integrated and streamlined look.
