

Torsion Spring - ExpressionsTM

Custom designs that bring awe to interior spaces!

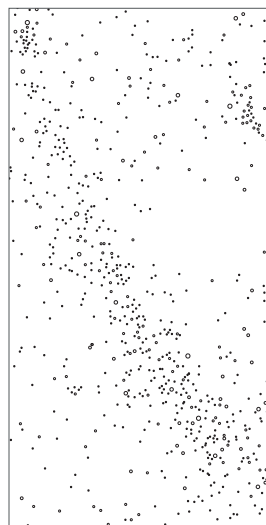

Turn any ceiling into an artistic playground and bring it to life using one of our five patent-pending designs or crafting your own. Paint the ceiling canvas with geometric, fluid and abstract patterns, or add imagery to create works of art. Our metal perforation technology delivers you the freedom to realize your design intent and build inspiring spaces.

TRANSFORM YOUR ARTISTIC VISION INTO A STUNNING REALITY

Turn your ceiling and wall landscapes into works of art.

PRODUCT DETAILS

- Available in 2' x 2' or 2' x 4' panels
- Mix and Match five of our patent-pending patterns, or design your own
- Our perforation technology can reproduce a large array of custom patterns with varying sizes of perforations, as well as reproduce images
- Create a single image that spans multiple panels, a repeating pattern on each panel, or a different design or pattern on every single panel
- Create asymmetrical and radial design patterns, too
- Perforated edge-to-edge with seamless impressions for a single, uninterrupted look
