

Palmer Table

The repeating elements of Palmer tables create a mirror effect; it is as though the tapered legs and solid top are reflected at the base. This is not surprising given the tables are named after a seaside hotel in Miami's South Beach. A wide selection of materials for bases and tops offers just the right amount of choices to complement any environment.

Specifications

Console table with wood veneer top and lower base. Solid wood legs and rails. Nylon glides. Veneer and wood with catalyzed lacquer finish in all Cumberland standard and custom finishes. Optional inset back-painted glass or solid surface tops are slightly elevated above rails.

Options – Specify:

Top: A maple veneer top is standard. .5" thick Glacier White solid surface or .25" thick painted glass in a range of colors is also available.

Wood: Maple is standard. Walnut and White Oak are optional, add \$400 list per item.

Finishes: Available in any standard MP finish on Maple, any premium WL finish on Walnut, or any premium WO finish on White Oak. Cerused finishes on Oak are available for an additional charge of \$140 list per item. Custom finishes are also available
