X Table

Architectural shape, elegant strength

**X Table**  
**Designed by Cumberland**

The triangle, known for its strength in many modern architectural applications, was the inspiration for this classic from the Cumberland archives. The X table is a strong yet simple piece that has been slightly restyled to complement today's modern workplaces.

The table's profile highlights the prominent triangular design

**Specifications**

Side and coffee tables are available in welded stainless steel with a maple box matched pattern veneer top that mimics the X theme of the base.

**Options**

Wood: Maple veneer in a box-matched pattern is standard; Ash and Option A woods are available but not in a parquet pattern  
Finishes: Standard and custom finishes; Cerused finishes can be specified on Ash  
Metal: Polished or satin stainless steel or statuary bronze
