

For Immediate Release
Capri Collections Introduces Capri Muro

Lititz, PA, September 21, 2023

Capri Collections, known for offering innovative and high quality cork flooring in both glue down and floating formats, introduces Capri Muro Cork Wall Tile.

With an array of cork patterns, shades and textures, versatile Capri Muro offers multiple possibilities for creative vertical installations. Muro Studio, with a simple ribbed texture, includes natural light and dark cork and 5 stained colors. Muro Gallery, with 8 colors/patterns, offers a variety of surfaces created with cork bark. The rectangular Muro tiles can be installed in numerous layouts.

Muro Studio and Muro Gallery come prefinished with a commercial grade water-based finish.

Capri Muro is Declare Label Red List Free, Greenguard Gold and listed on mindful MATERIALS.

Cork is a naturally versatile, durable, sound reducing, insulating, antimicrobial, & anti-fungal rapidly renewable resource.
