In keeping with our policy of continuing product improvement, Elkay reserves the right to change product specifications without notice. Please visit [elkay.com](#) for the most current version of Elkay product specification sheets. This specification describes an Elkay product with design, quality, and functional benefits to the user. When making a comparison of other producers' offerings, be certain these features are not overlooked.

A cross-sectional diagram of a sink installation. A tan-colored rectangular block represents the countertop. A grey U-shaped channel is mounted to the underside of the countertop. A grey clip is attached to the side of the U-channel. A grey screw is shown passing through the clip and the U-channel into the countertop. A grey line representing the sink is shown entering the U-channel from the right. A small grey bead of silicone caulk is shown at the top edge of the countertop, between the sink and the countertop surface. Labels with arrows point to the following components: Silicone Caulk (not furnished), Sink, U-Channel, Clip, Screw, and Countertop.
