Vicinity™

Cohesive Collection

Vicinity seating offers the flexibility to outfit a number of spaces throughout the workplace. While each chair and stool fulfills a different need and function, the design language creates a consistent aesthetic across the café, team project rooms, collaboration areas, and reception.

Comfortable Versatility

A lightweight design allows Vicinity seating to locate wherever it's needed. With the flexible polymer shell on chairs and stools and the upholstered seat and back on the lounge chair, users can work and meet in comfort.

Vicinity chairs and stools stack up to 10 high or 5 high with seat pad.

Vicinity lounge and rocker feature a veneer or upholstered shell.

Available with a sled or four-leg base, chairs are lightweight and easy to move.

Optional seat pad on Vicinity chairs and stools offer more comfort.
