

SILEA™ IS SHOWN WITH GENESEE SEATING

STUNNING FIRST IMPRESSIONS.

Silea creates an entry impact that is as impressive as it is versatile. With the convenience of standard product options, you will achieve the elegance of custom millwork.

Gunlocke®

SILEA™ WELCOME STATIONS

Design by MITCH BAKKER

CHOOSE A SHAPE

Silea offers a portfolio of possibilities for selecting a first impression that is just right.

STRAIGHT

When space is limited, use it efficiently yet impressively.

L-SHAPE

Expansive surfaces support welcoming and working.

U-SHAPE

Boundaries create enclosure and expanded functionality

MULTI-STATION

Welcoming is possible from multiple directions without sacrificing impact and performance.

ADVANCED FIXED-TOP

A seamless, extended worksurface features an ADA compliant transaction counter.

ADVANCED HEIGHT-ADJUSTABLE

An optional height-adjustable worksurface segment delivers versatile ergonomics and stylish relevance.

DRESSED FOR SUCCESS

The palette of Silea materials, textures, and colors is all you need to tailor a welcome station that fits your brand.
