LEARNING MATTERS

Today's leading organizations strategically integrate ongoing learning. The Briefing collection provides an array of table options for settings that effectively and beautifully support knowledge transfer.

CONVERGING CREATIVITY

Imagination and innovation are powered by colleagues coming together and collaborating. Briefing tables make those gatherings convenient, comfortable, and conducive to success.

FINISHING TOUCHES

Taking a seat is a welcome workday pause, and an adjacent table is the perfect partner for comfort and convenience. Briefing enriches the experience in its variety of forms.

ENHANCED OFFICING

Even an elegant enclosed office needs a table that contributes additional functionality and beauty. Briefing blends its materials, finishes, and styles to elevate spaces of distinction.
