GENERAL INFORMATION

Briefing material options offer high-end aesthetics with uncompromising quality. Veneer, laminates, paints, and other materials provide endless options and design possibilities to bring your style to life. Please reference the Briefing Price and Specification Guide for the most current price, grade, specification details, and availability.

Veneer Cleaning

To care for your furniture, make sure it is dusted regularly with an occasional thorough cleaning. All spills should be wiped up immediately and not allowed to dry. For general maintenance, wipe surface in the direction of the grain with a clean, water-dampened soft cloth.

Laminate Cleaning

For everyday cleaning, apply a vinegar-and-water solution to a clean, lint-free microfiber cloth. Gently wipe the surface to remove any surface dust. Completely dry the surface as pooled liquid may leave a stain and cause warping at the seams. Do not use furniture polish that contains waxes and oils on laminate surfaces. Do not use bleach-based cleaners on laminate as it may cause discoloration.

Ordering

For order accuracy, specify the color name and Gunlocke color code.
Example: Phantom Ecru LPE1

Sampling

Although the colors reproduced on this card were matched with care, they may vary from the actual finish. When color is critical, please obtain a physical sample.
