

RUCKUS[®]

Cantilever Desks

Ruckus cantilever desks feature a unique single post cantilever base for better egress/ingress. Worksurfaces are generously sized with a curved user-side edge for enhanced comfort and additional belly room. The comprehensive Ruckus collection supports learning space transformation.

RUCKUS CANTILEVER DESK FEATURES

- A. Curved Worksurface**
Generously sized worksurfaces with a curved edge provide additional belly room and enhanced comfort.
- B. Durable Edges**
73P bonded poly edge banding provides moisture and tamper resistance (available in numerous standard colors).
- C. Fixed or Sit/Stand Adjustable Height**
Desks are available in 29" fixed heights as well as pneumatic or set screw sit/stand adjustable heights.
- D. Single Post**
Unique single post cantilever base maximizes leg clearance and improves ingress/egress.
- E. Optional Front Rollers**
Front rollers (with rear glides) provide mobility with a wheelbarrow motion.
- F. Optional Book Bag Hooks**
Available on both sides, unless a cupholder is specified.
- G. Optional Book Basket**
Basket frame includes two integrated book bag hooks, one on each side.
- H. Optional Cup Holder**
Swiveling cup holder is available on either the left or right side.
